Item 6. Indemnification of Directors and Officers.

Section 145 (“Section 145”) of the Delaware General Corporation Law, as amended (the “DGCL”), permits indemnification of directors, officers, agents and controlling persons of a corporation under certain conditions and subject to certain limitations. Section 145 empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a director, officer or agent of the corporation or another enterprise if serving at the request of the corporation. Depending on the character of the proceeding, a corporation may indemnify against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding if the person indemnified acted in good faith and in a manner he or she reasonably believed to be in or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. In the case of an action by or in the right of the corporation, no indemnification may be made with respect to any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine that despite the adjudication of liability such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper. Section 145 further provides that to the extent a present or former director or officer of a corporation has been successful in the defense of any action, suit or proceeding referred to above or in the defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys’ fees) actually and reasonably incurred by such person in connection therewith.

Our Amended and Restated Certificate of Incorporation, as amended (the “Charter”), provides that no current or former director of the Registrant shall be personally liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability: (a) for any breach of the director’s duty of loyalty to the Registrant or its stockholders; (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (c) under Section 174 of the DGCL; or (d) for any transaction from which the director derived any improper personal benefit. The Registrant’s Charter also authorizes the Registrant, to the fullest extent permitted by applicable law, to provide indemnification of, and advanced expenses to, the Registrant’s agents and any other persons to which the DGCL permits.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Item 7. Exemption from Registration Claimed.

Not Applicable.

Item 9. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the Registration Statement is on Form S-3 and if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(5) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(A) Each prospectus filed by a Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(6) That, for the purpose of determining liability of a Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, each undersigned Registrant undertakes that in a primary offering of securities of an undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of an undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of an undersigned Registrant or used or referred to by an undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about an undersigned Registrant or its securities provided by or on behalf of an undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by an undersigned Registrant to the purchaser.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

**CODA OCTOPUS GROUP, INC.
2008 INCENTIVE STOCK OPTION PLAN**

SECTION 1. PURPOSE OF THE PLAN.

The purpose of the Coda Octopus Group, Inc. 2008 Employees, Directors and Officers Consultants Stock Option and Stock Award Plan ("Plan") is to maintain the ability of Coda Octopus Group, Inc., a Delaware corporation (the "Company"), and its subsidiaries to attract and retain highly qualified and experienced directors, officers, employees and consultants and to give directors, officers, employees and consultants a continued proprietary interest in the success of the Company and its subsidiaries. In addition, the Plan is intended to encourage ownership of common stock, \$.001 par value ("Common Stock"), of the Company by the employees, directors, officers, and consultants of the Company and of its Affiliates (as defined below) and to provide increased incentive for such persons to render services and to exert maximum effort for the success of the Company business. The Plan provides eligible employees, directors, officers, consultants and affiliates the opportunity to participate in the enhancement of shareholder value by the grants of options, stock appreciation rights, awards of restricted stock, bonuses and/or fees payable in unrestricted stock, or any combination thereof. In addition, the Company expects that the Plan will further strengthen the identification of the directors, officers, employees and consultants with the stockholders. Certain options to be granted under this Plan are intended to qualify as Incentive Stock Options ("ISOs") pursuant to Section 422 of the Internal Revenue Code of 1986, as amended ("Code"), while other options granted under this Plan will be nonqualified options which are not intended to qualify as ISOs ("Nonqualified Options"), either or both as provided in the agreements evidencing the options as provided in Section 6 hereof. Employees, consultants and directors who participate or become eligible to participate in this Plan from time to time are referred to collectively herein as "Participants." As used in this Plan, the term "Affiliates" means any "parent corporation" of the Company and any "subsidiary corporation" of the Company within the meaning of Code Sections 424(e) and (f), respectively.

SECTION 2. ADMINISTRATION OF THE PLAN.

(a) Composition of Committee.

The Plan shall be administered by the Board of Directors of the Company (the "Board") or a committee of the Board. When acting in such capacity the Board is herein referred to as the "Committee," which shall also designate the Chairman of the Committee. If the Company is governed by Rule 16b-3 promulgated by the Securities and Exchange Commission ("Commission") pursuant to the Securities Exchange Act of 1934, as amended ("Exchange Act"), no director shall serve as a member of the Committee unless he or she is a "disinterested person" within the meaning of such Rule 16b-3.

(b) Committee Action.

The Committee shall hold its meetings at such times and places as it may determine. A majority of its members shall constitute a quorum, and all determinations of the Committee shall be made by not less than a majority of its members. Any decision or determination reduced to writing and signed by a majority of the members shall be fully as effective as if it had been made by a majority vote of its members at a meeting duly called and held. The Committee may designate the Secretary of the Company or other Company employees to assist the Committee in the administration of the Plan, and may grant authority to such persons to execute award agreements or other documents on behalf of the Committee and the Company. Any duly constituted committee of the Board satisfying the qualifications of this Section 2 may be appointed as the Committee.

(c) Committee Expenses.

All expenses and liabilities incurred by the Committee in the administration of the Plan shall be borne by the Company. The Committee may employ attorneys, consultants, accountants or other persons.

SECTION 3. STOCK RESERVED FOR THE PLAN.

Subject to adjustment as provided in Section 6(m) hereof, the aggregate number of Shares that may be optioned or issued under the Plan is 2,500,000. The Shares subject to the Plan shall consist of authorized but unissued Shares and such number of shares shall be and is hereby reserved for sale for such purpose. Any of such Shares which may remain unsold and which are not subject to outstanding options at the termination of the Plan shall cease to be reserved for the purpose of the Plan, but until termination of the Plan or the termination of the last of the options granted under the Plan, whichever last occurs, the Company shall at all times reserve a sufficient number of shares to meet the requirements of the Plan. Should any option expire or be canceled prior to its exercise in full, the Shares theretofore subject to such option may again be made subject to an option under the Plan.

Immediately upon the grant of any option or award, the number of Shares that may be issued or optioned under the Plan will be increased. The increase shall be an amount such that immediately after such increase the total number of Shares issuable under the Plan and reserved for issuance upon exercise of outstanding options will equal not more than 20% of the total number of issued and outstanding Shares. Such increase in the number of Shares subject to the Plan shall occur without the necessity of any further corporate action of any kind or character.

SECTION 4. ELIGIBILITY.

The Participants shall include directors, employees, including officers, of the Company and its divisions and subsidiaries, and consultants and attorneys who provide *bona fide* services to the Company. Participants are eligible to be granted options, restricted stock, unrestricted stock and other awards under this Plan and to have their bonuses and/or consulting fees payable in restricted stock, unrestricted stock and other awards. A Participant who has been granted an option hereunder may be granted an additional option or options, if the Committee shall so determine.

SECTION 5. GRANT OF OPTIONS.

(a) Discretion.

The Committee shall have sole and absolute discretionary authority (i) to determine, authorize, and designate those persons pursuant to this Plan who are to receive options, restricted Shares or non-restricted Shares under the Plan, (ii) to determine the number of Shares to be covered by such grant or such options and the terms thereof, (iii) to determine the type of Shares granted: restricted Shares, unrestricted Shares or a combination of both, and (iv) to determine the type of option granted: ISO, nonqualified option or a combination of both determinations as evidenced by a written option agreement. Subject to the express provisions of the Plan, the Committee shall have discretionary authority to prescribe, amend and rescind rules and regulations relating to the Plan, to interpret the Plan, to prescribe and amend the terms of the option agreements (which need not be identical) and to make all other determinations deemed necessary or advisable for the administration of the Plan.

(b) Stockholder Approval.

All ISOs granted under this Plan are subject to, and may not be exercised before, the approval of this Plan by the stockholders prior to the first anniversary date of the Board meeting held to approve the Plan, by the affirmative vote of the holders of a majority of the outstanding shares of the Company present, or represented by proxy, and entitled to vote thereat, or by written consent in accordance with the laws of the State of Delaware, provided that if such approval by the stockholders of the Company is not forthcoming, all options and stock awards previously granted under this Plan other than ISOs shall be valid in all respects.

(c) Limitation on Incentive Stock Options.

The aggregate fair market value (determined in accordance with Section 6(b) of this Plan at the time the option is granted) of the Common Stock with respect to which ISOs may be exercisable for the first time by any Participant during any calendar year under all such plans of the Company and its Affiliates shall not exceed \$1,000,000.

SECTION 6. TERMS AND CONDITIONS.

Each option granted under the Plan shall be evidenced by an agreement, in a form approved by the Committee, which shall be subject to the following express terms and conditions and to such other terms and conditions as the Committee may deem appropriate.

(a) Option Period.

The Committee shall promptly notify the Participant of the option grant and a written agreement shall promptly be executed and delivered by and on behalf of the Company and the Participant, provided that the option grant shall expire if a written agreement is not signed by said Participant (or his agent or attorney) and returned to the Company within 60 days from date of receipt by the Participant of such agreement. The date of grant shall be the date the option is actually granted by the Committee, even though the written agreement may be executed and delivered by the Company and the Participant after that date. Each option agreement shall specify the period for which the option thereunder is granted (which in no event shall exceed ten years from the date of grant) and shall provide that the option shall expire at the end of such period. If the original term of an option is less than ten years from the date of grant, the option may be amended prior to its expiration, with the approval of the Committee and the Participant, to extend the term so that the term as amended is not more than ten years from the date of grant. However, in the case of an ISO granted to an individual who, at the time of grant, owns stock possessing more than 10 percent of the total combined voting power of all classes of stock of the Company or its Affiliate ("Ten Percent Stockholder"), such period shall not exceed five years from the date of grant.

(b) Option Price.

The purchase price of each Share subject to each option granted pursuant to the Plan shall be determined by the Committee at the time the option is granted and, in the case of ISOs, shall not be less than 100% of the fair market value of a Share on the date the option is granted, as determined by the Committee. In the case of an ISO granted to a Ten Percent Stockholder, the option price shall not be less than 110% of the fair market value of a Share on the date the option is granted. The purchase price of each Share subject to a Nonqualified Option under this Plan shall be determined by the Committee prior to granting the option. The Committee shall set the purchase price for each Share subject to a Nonqualified Option at either the fair market value of each Share on the date the option is granted, or at such other price as the Committee in its sole discretion shall determine.

At the time a determination of the fair market value of a Share is required to be made hereunder, the determination of its fair market value shall be made by the Committee in such manner as it deems appropriate.

(c) Exercise Period.

The Committee may provide in the option agreement that an option may be exercised in whole, immediately, or is to be exercisable in increments. In addition, the Committee may provide that the exercise of all or part of an option is subject to specified performance by the Participant. However, no portion of any option may be exercisable by a Participant prior to the approval of the Plan by the stockholders of the Company.

(d) Procedure for Exercise.

Options shall be exercised by the delivery of written notice to the Secretary of the Company setting forth the number of shares with respect to which the option is being exercised. Such notice shall be accompanied by cash or cashier's check, bank draft, postal or express money order payable to the order of the Company, or at the option of the Committee, in Common Stock theretofore owned by such Participant (or any combination of cash and Common Stock). Notice may also be delivered by fax or telecopy provided that the purchase price of such shares is delivered to the Company via wire transfer on the same day the fax is received by the Company. The notice shall specify the address to which the certificates for such shares are to be mailed. A Participant shall be deemed to be a stockholder with respect to Shares covered by an option on the date the Company receives such written notice and such option payment. As promptly as practicable after receipt of such written notification and payment, the Company shall deliver to the Participant certificates for the number of shares with respect to which such option has been so exercised, issued in the Participant's name or such other name as Participant directs; provided, however, that such delivery shall be deemed effected for all purposes when a stock transfer agent of the Company shall have deposited such certificates in the United States mail, addressed to the Participant at the address specified pursuant to this Section 6(d).

(e) Termination of Employment.

If an executive officer to whom an option is granted ceases to be employed by the Company for any reason other than death or disability, any option which is exercisable on the date of such termination of employment may be exercised during a period beginning on such date and ending at the time set forth in the option agreement; provided, however, that if a Participant's employment is terminated because of the Participant's theft or embezzlement from the Company, disclosure of trade secrets of the Company or the commission of a willful, felonious act while in the employment of the Company (such reasons shall hereinafter be collectively referred to as "for cause"), then any option or unexercised portion thereof granted to said Participant shall expire upon such termination of employment. Notwithstanding the foregoing, no ISO may be exercised later than three months after an employee's termination of employment for any reason other than death or disability.

(f) Disability or Death of Participant .

In the event of the determination of disability or death of a Participant under the Plan while he or she is employed by the Company, the options previously granted to him may be exercised (to the extent he or she would have been entitled to do so at the date of the determination of disability or death) at any time and from time to time, within a period beginning on the date of such determination of disability or death and ending at the time set forth in the option agreement, by the former employee, the guardian of his estate, the executor or administrator of his estate or by the person or persons to whom his rights under the option shall pass by will or the laws of descent and distribution, but in no event may the option be exercised after its expiration under the terms of the option agreement. Notwithstanding the foregoing, no ISO may be exercised later than one year after the determination of disability or death. A Participant shall be deemed to be disabled if, in the opinion of a physician selected by the Committee, he or she is incapable of performing services for the Company of the kind he or she was performing at the time the disability occurred by reason of any medically determinable physical or mental impairment which can be expected to result in death or to be of long, continued and indefinite duration. The date of determination of disability for purposes hereof shall be the date of such determination by such physician.

(g) Assignability.

An option shall not be assignable or otherwise transferable except by will or by the laws of descent and distribution or pursuant to a qualified domestic relations order as defined in the Code or Title I of the Employee Retirement Income Security Act, as amended, or the rules thereunder. During the lifetime of a Participant, an option shall be exercisable only by the Participant.

(h) Incentive Stock Options.

Each option agreement may contain such terms and provisions as the Committee may determine to be necessary or desirable in order to qualify an option designated as an incentive stock option.

(i) Restricted Stock Awards.

Awards of restricted stock under this Plan shall be subject to all the applicable provisions of this Plan, including the following terms and conditions, and to such other terms and conditions not inconsistent therewith, as the Committee shall determine:

(A) Awards of restricted stock may be in addition to or in lieu of option grants. Awards may be conditioned on the attainment of particular performance goals based on criteria established by the Committee at the time of each award of restricted stock. During a period set forth in the agreement (the "Restriction Period"), the recipient shall not be permitted to sell, transfer, pledge, or otherwise encumber the shares of restricted stock; except that such shares may be used, if the agreement permits, to pay the option price pursuant to any option granted under this Plan, provided an equal number of shares delivered to the Participant shall carry the same restrictions as the shares so used. Shares of restricted stock shall become free of all restrictions if during the Restriction Period, (i) the recipient dies, (ii) the recipient's directorship, employment, or consultancy terminates by reason of permanent disability, as determined by the Committee, (iii) the recipient retires after attaining both 59 1/2 years of age and five years of continuous service with the Company and/or a division or subsidiary, or (iv) if provided in the agreement, there is a "change in control" of the Company (as defined in such agreement). The Committee may require medical evidence of permanent disability, including medical examinations by physicians selected by it. Unless and to the extent otherwise provided in the agreement, shares of restricted stock shall be forfeited and revert to the Company upon the recipient's termination of directorship, employment or consultancy during the Restriction Period for any reason other than death, permanent disability, as determined by the Committee, retirement after attaining both 59 1/2 years of age and five years of continuous service with the Company and/or a subsidiary or division, or, to the extent provided in the agreement, a "change in control" of the Company (as defined in such agreement), except to the extent the Committee, in its sole discretion, finds that such forfeiture might not be in the best interests of the Company and, therefore, waives all or part of the application of this provision to the restricted stock held by such recipient. Certificates for restricted stock shall be registered in the name of the recipient but shall be imprinted with the appropriate legend and returned to the Company by the recipient, together with a stock power endorsed in blank by the recipient. The recipient shall be entitled to vote shares of restricted stock and shall be entitled to all dividends paid thereon, except that dividends paid in Common Stock or other property shall also be subject to the same restrictions.

(B) Restricted Stock shall become free of the foregoing restrictions upon expiration of the applicable Restriction Period and the Company shall then deliver to the recipient Common Stock certificates evidencing such stock. Restricted stock and any Common Stock received upon the expiration of the restriction period shall be subject to such other transfer restrictions and/or legend requirements as are specified in the applicable agreement.

(j) Bonuses and Past Salaries and Fees Payable in Unrestricted Stock.

(A) In lieu of cash bonuses otherwise payable under the Company's or applicable division's or subsidiary's compensation practices to employees and consultants eligible to participate in this Plan, the Committee, in its sole discretion, may determine that such bonuses shall be payable in restricted or unrestricted Common Stock or partly in Common Stock and partly in cash. Such bonuses shall be in consideration of services previously performed and as an incentive toward future services and shall consist of shares of unrestricted Common Stock subject to such terms as the Committee may determine in its sole discretion. The number of shares of unrestricted Common Stock payable in lieu of a bonus otherwise payable shall be determined by dividing such bonus amount by the fair market value of one share of Common Stock on the date the bonus is payable, with fair market value determined as of such date in accordance with Section 6(b). In the event restricted Common Stock is issued in lieu of a bonus, a discount to fair market value may be taken at the discretion of the Committee.

(B) In lieu of salaries and fees otherwise payable by the Company's to employees, attorneys and consultants eligible to participate in this Plan that were incurred for services rendered during 2004, the Committee, in its sole discretion, may determine that such unpaid salaries and fees shall be payable in restricted or unrestricted Common Stock or partly in Common Stock and partly in cash. Such awards shall be in consideration of services previously performed and as an incentive toward future services and shall consist of shares of unrestricted Common Stock subject to such terms as the Committee may determine in its sole discretion. The number of shares of unrestricted Common Stock payable in lieu of salaries and fees otherwise payable shall be determined by dividing each calendar month's of unpaid salary or fee amount by the average trading value of the Common Stock for the calendar month during which the subject services were provided. In the event restricted Common Stock is issued in lieu of salary, a discount to fair market value may be taken at the discretion of the Committee.

(k) No Rights as Stockholder.

No Participant shall have any rights as a stockholder with respect to shares covered by an option until the option is exercised by the written notice and accompanied by payment as provided in clause (d) above.

(l) Extraordinary Corporate Transactions.

The existence of outstanding options shall not affect in any way the right or power of the Company or its stockholders to make or authorize any or all adjustments, recapitalizations, reorganizations, exchanges, or other changes in the Company's capital structure or its business, or any merger or consolidation of the Company, or any issuance of Common Stock or other securities or subscription rights thereto, or any issuance of bonds, debentures, preferred or prior preference stock ahead of or affecting the Common Stock or the rights thereof, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise. If the Company recapitalizes or otherwise changes its capital structure, or merges, consolidates, sells all of its assets or dissolves (each of the foregoing a "Fundamental Change"), then thereafter upon any exercise of an option theretofore granted the Participant shall be entitled to purchase under such option, in lieu of the number of Shares as to which option shall then be exercisable, the number and class of Shares and other securities to which the Participant would have been entitled pursuant to the terms of the Fundamental Change if, immediately prior to such Fundamental Change, the Participant had been the holder of record of the number of Shares as to which such option is then exercisable. If (i) the Company shall not be the surviving entity in any merger or consolidation (or survives only as a subsidiary of another entity), (ii) the Company sells all or substantially all of its assets to any other person or entity (other than a wholly-owned subsidiary), (iii) any person or entity (including a "group" as contemplated by Section 13(d)(3) of the Exchange Act) acquires or gains ownership or control of (including, without limitation, power to vote) more than 50% of the outstanding Shares, (iv) the Company is to be dissolved and liquidated, or (v) as a result of or in connection with a contested election of directors, the persons who were directors of the Company before such election shall cease to constitute a majority of the Board (each such event in clauses (i) through (v) above is referred to herein as a "Corporate Change"), the Committee, in its sole discretion, may accelerate the time at which all or a portion of a Participant's options may be exercised for a limited period of time before or after a specified date.

(m) Changes in Company's Capital Structure.

If the outstanding Shares or other securities of the Company, or both, for which the option is then exercisable shall at any time be changed or exchanged by declaration of a stock dividend, stock split, combination of shares, recapitalization, or reorganization, the number and kind of Shares or other securities which are subject to the Plan or subject to any options theretofore granted, and the option prices, shall be appropriately and equitably adjusted so as to maintain the proportionate number of shares or other securities without changing the aggregate option price.

(n) Acceleration of Options.

Except as hereinbefore expressly provided, (i) the issuance by the Company of Shares or any class of securities convertible into Shares of any class, for cash, property, labor or services, upon direct sale, upon the exercise of rights or warrants to subscribe therefor, or upon conversion of shares or obligations of the Company convertible into such shares or other securities, (ii) the payment of a dividend in property other than Common Stock or (iii) the occurrence of any similar transaction, and in any case whether or not for fair value, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number of Shares subject to options theretofore granted or the purchase price per share, unless the Committee shall determine, in its sole discretion, that an adjustment is necessary to provide equitable treatment to Participant. Notwithstanding anything to the contrary contained in this Plan, the Committee may, in its sole discretion, accelerate the time at which any option may be exercised, including, but not limited to, upon the occurrence of the events specified in this Section 6, and is authorized at any time (with the consent of the Participant) to purchase options pursuant to Section 7.

SECTION 7. RELINQUISHMENT OF OPTIONS.

(a) The Committee, in granting options hereunder, shall have discretion to determine whether or not options shall include a right of relinquishment as hereinafter provided by this Section 7. The Committee shall also have discretion to determine whether an option agreement evidencing an option initially granted by the Committee without a right of relinquishment shall be amended or supplemented to include such a right of relinquishment. Neither the Committee nor the Company shall be under any obligation or incur any liability to any person by reason of the Committee's refusal to grant or include a right of relinquishment in any option granted hereunder or in any option agreement evidencing the same. Subject to the Committee's determination in any case that the grant by it of a right of relinquishment is consistent with Section 1 hereof, any option granted under this Plan, and the option agreement evidencing such option, may provide:

(i) That the Participant, or his or her heirs or other legal representatives to the extent entitled to exercise the option under the terms thereof, in lieu of purchasing the entire number of shares subject to purchase thereunder, shall have the right to relinquish all or any part of the then unexercised portion of the option (to the extent then exercisable) for a number of Shares to be determined in accordance with the following provisions of this clause (i):

(A) The written notice of exercise of such right of relinquishment shall state the percentage of the total number of Shares issuable pursuant to such relinquishment (as defined below) that the Participant elects to receive;

(B) The number of Shares, if any, issuable pursuant to such relinquishment shall be the number of such shares, rounded to the next greater number of full shares, as shall be equal to the quotient obtained by dividing (i) the Appreciated Value by (ii) the purchase price for each of the Shares specified in such option; (x) the total current market value of the Shares covered by the option or the portion thereof to be relinquished over (y) the total purchase price for such shares specified in such option;

(ii) That such right of relinquishment may be exercised only upon receipt by the Company of a written notice of such relinquishment which shall be dated the date of election to make such relinquishment; and that, for the purposes of this Plan, such date of election shall be deemed to be the date when such notice is sent by registered or certified mail, or when receipt is acknowledged by the Company, if mailed by other than registered or certified mail or if delivered by hand or by any telegraphic communications equipment of the sender or otherwise delivered, provided, that, in the event the method just described for determining such date of election shall not be or remain consistent with the provisions of Section 16(b) of the Exchange Act or the rules and regulations adopted by the Commission thereunder, as presently existing or as may be hereafter amended, which regulations exempt from the operation of Section 16(b) of the Exchange Act in whole or in part any such relinquishment transaction, then such date of election shall be determined by such other method consistent with Section 16(b) of the Exchange Act or the rules and regulations thereunder as the Committee shall in its discretion select and apply;

(iii) That the “current market value” of a share of Common Stock on a particular date shall be deemed to be its fair market value on that date as determined in accordance with Paragraph 6(b); and

(iv) That the option, or any portion thereof, may be relinquished only to the extent that (A) it is exercisable on the date written notice of relinquishment is received by the Company, and

(B) the holder of such option pays, or makes provision satisfactory to the Company for the payment of, any taxes which the Company is obligated to collect with respect to such relinquishment.

(b) The Committee shall have sole discretion to consent to or disapprove, and neither the Committee nor the Company shall be under any liability by reason of the Committee’s disapproval of, any election by a holder of an option to relinquish such option in whole or in part as provided in Paragraph 7(a), except that no such consent to or approval of a relinquishment shall be required under the following circumstances. Each Participant who is subject to the short-swing profits recapture provisions of Section 16(b) of the Exchange Act (“Covered Participant”) shall not be entitled to receive Shares when options are relinquished during any window period commencing on the third business day following the Company’s release of a quarterly or annual summary statement of sales and earnings and ending on the twelfth business day following such release (“Window Period”). A Covered Participant shall be entitled to receive Shares upon the relinquishment of options outside a Window Period.

(c) The Committee, in granting options hereunder, shall have discretion to determine the terms upon which such options shall be relinquishable, subject to the applicable provisions of this Plan, and including such provisions as are deemed advisable to permit the exemption from the operation from Section 16(b) of the Exchange Act of any such relinquishment transaction, and options outstanding, and option agreements evidencing such options, may be amended, if necessary, to permit such exemption. If an option is relinquished, such option shall be deemed to have been exercised to the extent of the number of Shares covered by the option or part thereof which is relinquished, and no further options may be granted covering such Shares.

(d) Neither any option nor any right to relinquish the same to the Company as contemplated by this Paragraph 7 shall be assignable or otherwise transferable except by will or the laws of descent and distribution or pursuant to a qualified domestic relations order as defined in the Code or Title I of the Employee Retirement Income Security Act, as amended, or the rules thereunder.

(e) Except as provided in Section 7(f) below, no right of relinquishment may be exercised within the first six months after the initial award of any Option containing, or the amendment or supplementation of any existing option agreement adding, the right relinquishment.

(f) No right of relinquishment may be exercised after the initial award of any option containing, or the amendment or supplementation of any existing option agreement adding the right of relinquishment, unless such right of relinquishment is effective upon the Participant’s death, disability or termination of his relationship with the Company for a reason other than “for cause.”

SECTION 8. AMENDMENTS OR TERMINATION.

The Board may amend, alter or discontinue the Plan, but no amendment or alteration shall be made which would impair the rights of any Participant, without his consent, under any option theretofore granted, or which, without the approval of the stockholders, would: (i) except as is provided in Section 6(k) of the Plan, increase the total number of shares reserved for the purposes of the Plan (except pursuant to Section 3 of the Plan), (ii) change the class of persons eligible to participate in the Plan as provided in Section 4 of the Plan, (iii) extend the applicable maximum option period provided for in Section 6(a) of the Plan, (iv) extend the expiration date of this Plan set forth in Section 15 of the Plan, (v) except as provided in Section 6(k) of the Plan, decrease the option price of any option granted under the Plan or (vi) withdraw the administration of the Plan from the Committee.

SECTION 9. COMPLIANCE WITH OTHER LAWS AND REGULATIONS.

The Plan, the grant and exercise of options thereunder, and the obligation of the Company to sell and deliver shares under such options, shall be subject to all applicable federal and state laws, rules and regulations and to such approvals by any governmental or regulatory agency as may be required. The Company shall not be required to issue or deliver any certificates for Shares prior to the completion of any registration or qualification of such shares under any federal or state law or issuance of any ruling or regulation of any government body which the Company shall, in its sole discretion, determine to be necessary or advisable. Any adjustments provided for in subparagraphs 6(j), (k) and (i) shall be subject to any shareholder action required by Delaware corporate law.

SECTION 10. PURCHASE FOR INVESTMENT.

Unless the options and Shares covered by this Plan have been registered under the Securities Act of 1933, as amended, and the Company has determined that such registration is unnecessary, each person acquiring or exercising an option under this Plan may be required by the Company to give a representation in writing that he or she is acquiring such option or such shares for his own account for investment and not with a view to, or for sale in connection with, the distribution of any part thereof.

SECTION 11. TAXES.

(a) The Company may, but is not obligated to, make such provisions as it may deem appropriate for the withholding of any taxes which it determines is required in connection with any options granted under this Plan.

(b) Notwithstanding the terms of Paragraph 11 (a), any Participant may pay all or any portion of the taxes required to be withheld by the Company or paid by him or her in connection with the exercise of a Nonqualified Option by electing to have the Company withhold Shares, or by delivering previously owned Shares, having a fair market value, determined in accordance with Paragraph 6(b), equal to the amount required to be withheld or paid. A Participant must make the foregoing election on or before the date that the amount of tax to be withheld is determined ("Tax Date"). All such elections are irrevocable and subject to disapproval by the Committee. Elections by Covered Participants are subject to the following additional restrictions: (i) such election may not be made within six months of the grant of an option, provided that this limitation shall not apply in the event of death or disability, and (ii) such election must be made either six months or more prior to the Tax Date or in a Window Period. Where the Tax Date in respect of an option is deferred until six months after exercise and the Covered Participant elects share withholding, the full amount of Shares will be issued or transferred to him upon exercise of the option, but he or she shall be unconditionally obligated to tender back to the Company the number of shares necessary to discharge the Company's withholding obligation or his estimated tax obligation on the Tax Date.

SECTION 12. REPLACEMENT OF OPTIONS.

The Committee from time to time may permit a Participant under the Plan to surrender for cancellation any unexercised outstanding option and receive from the Company in exchange an option for such number of Shares as may be designated by the Committee. The Committee may, with the consent of the person entitled to exercise any outstanding option, amend such option, including reducing the exercise price of any option to not less than the fair market value of the Common Stock at the time of the amendment and extending the term thereof.

SECTION 13. NO RIGHT TO COMPANY EMPLOYMENT.

Nothing in this Plan or as a result of any option granted pursuant to this Plan shall confer on any Participant any right to continue in the employ of the Company or interfere in any way with the right of the Company to terminate any Participant's employment at any time. The option agreements may, but is not obligated, contain such provisions as the Committee may approve with reference to the effect of approved leaves of absence.

SECTION 14. LIABILITY OF COMPANY.

The Company and any Affiliate which is in existence or hereafter comes into existence shall not be liable to a Participant or other persons as to:

(a) *The Non-Issuance of Shares.*

The non-issuance or sale of Shares as to which the Company has been unable to obtain from any regulatory body having jurisdiction the authority deemed by the Company's counsel to be necessary to the lawful issuance of any Shares hereunder; and

(b) *Tax Consequences .*

Any tax consequence expected, but not realized, by any Participant or other person due to the exercise of any option granted hereunder.

SECTION 15. EFFECTIVENESS AND EXPIRATION OF PLAN.

The Plan shall be effective on the date the Board adopts the Plan. If the stockholders of the Company fail to approve the Plan within twelve months of the date the Board approved the Plan, the Plan shall terminate and all options previously granted under the Plan shall become void and of no effect. The Plan shall expire ten years after the date the Board approves the Plan and thereafter no option shall be granted pursuant to the Plan.

SECTION 16. NON-EXCLUSIVITY OF THE PLAN.

Neither the adoption by the Board nor the submission of the Plan to the stockholders of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including without limitation, the granting of restricted stock or stock options otherwise than under the Plan, and such arrangements may be either generally applicable or applicable only in specific cases.

SECTION 17. GOVERNING LAW.

This Plan and any agreements hereunder shall be interpreted and construed in accordance with the internal laws of the State of Delaware without reference to choice of law principals and applicable federal law.

SECTION 18. CASHLESS EXERCISE.

The Committee also may allow cashless exercises as permitted under Federal Reserve Board's Regulation T, subject to applicable securities law restrictions or by any other means which the Committee determines to be consistent with the Plan's purpose and applicable law.

SECTION 19. PROCEEDS FROM EXERCISE

The proceeds from such exercise of options under the Plan shall be added to the general funds of the Company and shall be used for general corporate purposes.

IN WITNESS WHEREOF, and as conclusive evidence of the adoption of the foregoing by directors of the Company, Coda Octopus Group, Inc., has caused these presents to be duly executed in its name and behalf by its proper officers thereunto duly authorized as of this [] 2008.

CODA OCTOPUS GROUP, INC.

2008 STOCK PURCHASE PLAN

The purpose of the 2008 Stock Purchase Plan (the “Plan”) is to provide eligible employees of and consultants to Coda Octopus Group, Inc. (the “Company”) and certain of its subsidiaries with opportunities to purchase shares of the Company’s common stock, \$0.001 par value (the “Common Stock”). Two million (2,000,000) shares of Common Stock in the aggregate have been approved for this purpose.

1. Administration. The Plan will be administered by the Company’s Board of Directors (the “Board”) or by one or more committees or subcommittees appointed by the Board (a “Committee”). The Board or a Committee (in either case, the “Administrator”) may delegate to one or more individuals the day-to-day administration of the Plan. The Administrator shall have full power and authority to promulgate any rules and regulations which it deems necessary or advisable for the proper administration of the Plan, to interpret the provisions and supervise the administration of the Plan, to make factual determinations relevant to Plan entitlements, and to take all action in connection with the administration of the Plan as it deems necessary or advisable, consistent with any delegation from the Board; provided, however, the administration of the Plan shall be consistent with Rule 16b-3 (“Rule 16b-3”) under the Securities Exchange Act of 1934. The administration, interpretation or application of the Plan by the Administrator shall be final and binding upon all employees and participating consultants. The Company shall pay all expenses incurred in connection with the administration of the Plan. No Board or Committee member shall be liable for any action or determination except for such person’s own willful misconduct or as provided by law with respect to the Plan or any Option (as defined in Section 10) granted hereunder.

2. Eligibility. All employees of the Company, including Directors who are employees, all employees of any subsidiary of the Company (as defined in Section 424(f) of the Code) designated by the Board or a Committee from time to time (a “Designated Subsidiary”), and all consultants to the Company or any subsidiary of the Company, as determined by the Administrator in its sole discretion, are eligible to participate in the Plan, provided that they are employees of or consultants to the Company or a Designated Subsidiary on the first day of the applicable Offering Period (as defined below).

An employee or consultant will not be eligible to participate in the Plan if he or she owns 5% or more of the total combined voting power or value of the stock of the Company. For purposes of the preceding sentence, all stock which the employee or consultant has a contractual right to purchase through either this or other Company plans shall be treated as stock owned by the employee or consultant.

3. Offerings. At the discretion of the Board, the Company will make “Offerings” to employees and participating consultants to purchase stock under this Plan. Offerings will begin each June 1, September 1, December 1, and March 1, or the first business day thereafter (the “Offering Commencement Date”). Each Offering Commencement Date will begin a three-month period (the “Offering Period”) during which payroll deductions will be made and held for the purchase, in the open market, of Common Stock at the end of the Offering Period. The Board or a Committee may, at its discretion, choose a different Offering Period of twelve (12) months or less for Offerings. Notwithstanding anything to the contrary, the first Offering Period shall begin on June 1, 2008 and end on August 31, 2008.

4. Participation of Employees or Consultants. An employee eligible on the Offering Commencement Date of any Offering may participate in such Offering by completing and forwarding a payroll deduction authorization form, or other such notice as deemed acceptable by the Administrator, to the Coda Octopus Group, Inc. corporate headquarters in New York. The form will authorize regular payroll deductions from the Compensation received by the employee during the Offering Period. Unless an employee files a new form or withdraws from the Plan, his or her deductions will continue at the same rate for future Offerings under the Plan as long as the Plan remains in effect. As used herein, the term “Compensation” means the employee’s base salary, any bonuses or incentives, any commissions and any cash allowances paid during the Offering Period but specifically excludes any reimbursement of travel and entertainment expenses and any gain from exercise of a Company stock option or vesting in restricted stock occurring during the Offering Period.

A consultant eligible on the Offering Commencement Date of any Offering Period may participate in such Offering Period by completing and forwarding an authorization form, or other such notice as deemed acceptable by the Administrator, to the Coda Octopus Group, Inc. corporate headquarters in New York.

5. Deductions and Consultant Payments. The Company will maintain accounts for all participating employees and consultants. With respect to any Offering made under this Plan, an employee may authorize a payroll deduction in any amount he or she receives during the Offering Period or such shorter period during which deductions from payroll are made. Payroll deductions will be in 1% increments at the rate of not lower than 1% of Compensation with any change in compensation during the Offering Period to result in a corresponding change in the dollar amount withheld. A participating consultant may make a payment in any whole dollar amount in a form acceptable to the Company, such payment to be received at the Coda Octopus Group, Inc. corporate headquarters in New York at least fifteen (15) days prior to the end of the applicable Offering Period. In the event such payment is not received by that date, the consultant shall no longer be a participant in that Offering Period. The Company shall be under no obligation to notify a participating consultant of non-receipt of payment, and the Company in no way will be responsible for non-receipt of payment by the above deadline.

6. Employee Deduction Changes. An employee may increase, decrease or discontinue his or her payroll deduction during any Offering Period by filing a new payroll deduction authorization form. If an employee elects to discontinue his or her payroll deductions during an Offering Period, but does not elect to withdraw his or her funds pursuant to Section 8 hereof, funds deducted prior to such employee's election to discontinue will be applied to the purchase of Common Stock during the Exercise Period (as defined below). The Administrator may (i) establish rules limiting the frequency with which employees may change, discontinue and resume payroll deductions under the Plan and may impose a waiting period on employees wishing to resume payroll deductions following discontinuance, and (ii) change the rules regarding discontinuance of participation or changes in participation in the Plan.

7. Interest. Interest will not be paid on any employee or participating consultant accounts, except to the extent that the Board or a Committee, in its sole discretion, elects to credit employee or participating consultant accounts with interest at such per annum rate as it may from time to time determine.

8. Withdrawal of Employee Funds. An employee may at any time prior to the close of business on the last business day in an Offering Period and for any reason permanently draw out the balance accumulated in the employee's account and thereby withdraw from participation in an Offering. Partial withdrawals are not permitted. The employee may not begin participation again during the remainder of the Offering Period.

9. Purchase of Shares. Each employee who continues to be a participant in the Plan through the end of the Offering Period or participating consultant who makes payment as provided in Section 5 above shall be deemed to have authorized the Company to purchase, in the open market, within five (5) business days ("the Exercise Period") following the end of such Offering Period, the largest number of whole shares of Common Stock of the Company as does not exceed the amount of funds available in the participant's account.

The purchase price of the shares of Common Stock shall be the average of all shares acquired using best efforts during the Exercise Period but shall not be greater than 115% of the then existing market price, defined as the volume-weighted average of the closing prices of the Company's shares for the last five (5) days on which the shares have traded including the last business day of the Offering Period. If the Company cannot purchase during the Exercise Period the maximum number of shares to which the employees and consultants in aggregate have subscribed, then shares will be apportioned ratably to each participant, based on that participant's contribution relative to total contributions available for the purchase.

If during the Exercise Period, the Company is unable to purchase on behalf of a participant the maximum number of shares for which he or she is eligible, then the participant will be so notified within five (5) business days of the end of the Exercise Period. The participant may then elect within five (5) business days in writing, using a notice as approved by the Administrator, to have contributed and unused funds applied to the then current Offering Period. If such notice is not received, then the participant shall be deemed to have elected to have contributed and unused funds to be returned to him or her, and the Company will refund such contributions as soon as reasonably practical. Notwithstanding the above, the employee's contributions at the then specified rate will continue for the current Offering Period.

Any balance remaining in a participant's account at the end of an Offering Period will be automatically refunded, except that any balance which the employee or participating consultant elects to have carried forward above or is less than the purchase price of one share of Common Stock will be carried forward into the participant's account for the following Offering Period, unless the participant elects not to participate in the following Offering Period under the Plan, in which case the balance in the participant's account shall be refunded.

Shares purchased under this Plan will vest immediately on issue to the participant.

10. Matching Option. For each purchase for Offering Periods ending on or prior to November 30, 2008, the Company will grant a stock option ("150% Matching Option") to the participant, evidenced by a written stock option agreement, as to one and one-half (1.5) times the number of shares acquired by the participant for the applicable Offering Period. The substantive terms of the option, in addition to the number of shares to be granted under said option, are as follows:

- (a) the option grant date is the last day of the applicable Offering Period;
- (b) the option grant price will be the greater of \$1.30 or the closing price of the Common Stock on the last trading day on or immediately prior to the last day of the Offering Period;
- (c) the option term will be five years, except that optioned shares will be cancelled in the ratio of one and one-half (1.5) times the number of Common Shares acquired in the applicable Offering Period if the participant sells or transfers the purchased shares from the applicable Offering within one year of the last day of the Offering Period;
- (d) the option will vest as to 100% of the optioned shares on the one year anniversary of the grant date;
- (e) unvested options will be forfeited in their entirety if the employee ceases to be employed by the Company or certain of its subsidiaries or a participating consultant is no longer a consultant as determined by the Administrator; and
- (f) vested options shall, at the discretion of the employee, either be exercised or forfeited in their entirety if the employee ceases to be employed by the Company or certain of its subsidiaries or a participating consultant is no longer a consultant as determined by the Administrator. A terminating employee or a participating consultant who is no longer a consultant as determined by the Administrator must notify the Company in writing of his or her intention to exercise all or part of a vested stock option within ten (10) days of his or her ceasing to be an employee of the Company or certain of its subsidiaries or for a participating consultant within ten (10) days of no longer serving as a consultant as determined by the Administrator. The terminating employee will have 30 days of ceasing to be employed by the Company or certain of its subsidiaries in which to exercise the option. Such exercise will not be complete until the employee has provided in full for payment of option cost and any taxes then owing on the exercise. A participating consultant who is no longer a consultant as determined by the Administrator will have 30 days of ceasing to act as a consultant to the Company or certain of its subsidiaries in which to exercise the option. Such exercise will not be complete until the participating consultant has provided in full for payment of option cost.

Other option terms will be as set forth in the option agreement.

For Offering Periods ending after November 30, 2008, the Company will grant a stock option ("100% Matching Option") to the employee, evidenced by a written stock option agreement, as to one (1) times the number of shares acquired by the employee or participating consultant for the applicable Offering Period. Terms of the option, other than number of shares to be granted, will be as provided in Section 10 (a) - (f) above, except that for a 100% Matching Option, Section 10 (c) is applied as follows.

The option term will be five years, except that optioned shares will be cancelled in the ratio of one (1.0) times the number of Common Shares acquired in the applicable Offering Period if the participant sells or transfers the purchased shares from the applicable Offering within one year of the last day of the Offering Period.

Subject to the Administrator providing notice to participants at least two (2) weeks prior to the end of an Offering Period, the Board in its sole discretion may elect to no longer grant a 150% Matching Option or a 100% Matching Option to stock purchased in applicable Offering Periods.

11. Issuance of Shares. Shares of Common Stock purchased under the Plan may be issued only in the name of the employee or participating consultant, in the name of the employee or participating consultant and another person of legal age as joint tenants with rights of survivorship, or (in the Company's sole discretion) in the name of a brokerage firm, bank or other nominee holder designated by the employee or participating consultant. The Company may, in its sole discretion and in compliance with applicable laws, authorize the use of book entry registration of shares.

12. Rights on Retirement, Death or Termination of Employment. In the event of a participating employee's termination of employment prior to the last business day of an Offering Period, no payroll deduction shall be taken from any pay due and owing to an employee and the balance in the employee's account shall be paid to the employee or, in the event of the employee's death, (a) to a beneficiary previously designated in a revocable notice signed by the employee (with any spousal consent required under state law) or (b) in the absence of such a designated beneficiary, to the executor or administrator of the employee's estate or (c) if no such executor or administrator has been appointed to the knowledge of the Company, to such other person(s) as the Company may, in its discretion, designate. If, prior to the last business day of the Offering Period, the Designated Subsidiary by which an employee is employed shall cease to be a subsidiary of the Company, or if the employee is transferred to a subsidiary of the Company that is not a Designated Subsidiary, the employee shall be deemed to have terminated employment for the purposes of this Plan.

In the event of a participating consultant ceasing to act as a consultant prior to the last business day of an Offering Period, the balance in the participant's account shall be paid to the consultant or, in the event of the consultant's death, (a) to a beneficiary previously designated in a revocable notice signed by the consultant (with any spousal consent required under state law) or (b) in the absence of such a designated beneficiary, to the executor or administrator of the consultant's estate or (c) if no such executor or administrator has been appointed to the knowledge of the Company, to such other person(s) as the Company may, in its discretion, designate.

13. Not Stockholders. The deductions from an employee's pay or payment by a participating consultant shall not constitute such participant a stockholder of the shares of Common Stock covered under this Plan until such shares have been purchased by and issued to him or her.

14. Rights Not Transferable. Rights under this Plan are not transferable by a participating employee or participating consultant other than by will or the laws of descent and distribution, and are exercisable during the employee's lifetime only by the employee.

15. Adjustment in Case of Changes Affecting Common Stock. In the event of a subdivision of outstanding shares of Common Stock, or the payment of a dividend in Common Stock, the number of shares approved for this Plan, and the share limitation set forth in Section 9, shall be increased proportionately, and such other adjustment shall be made as may be deemed equitable by the Board or a Committee. In the event of any other change affecting the Common Stock, such adjustment shall be made as may be deemed equitable by the Board or a Committee to give proper effect to such event.

16. Merger. If the Company shall at any time merge or consolidate with another corporation and the holders of the capital stock of the Company immediately prior to such merger or consolidation continue to hold at least 80% by voting power of the capital stock of the surviving corporation ("Continuity of Control"), an employee shall be entitled to discontinue all payments and have returned all funds currently standing in his or her account. If the employee does not elect to discontinue payments, the funds in his or her account will be utilized to purchase common stock in the surviving corporation at the end of the Offering Period during which the merger or consolidation was effected.

A participating consultant at his or her sole election may make further payments under an Offering during which the Company shall merge or consolidate with another corporation and the holders of the capital stock of the Company immediately prior to such merger or consolidation continue to hold at least 80% by voting power of the capital stock of the surviving corporation.

In the event of a merger or consolidation of the Company with or into another corporation which does not involve Continuity of Control, or of a sale of all or substantially all of the assets of the Company, within ten (10) business days after the effective date of such transaction the funds currently standing in the participant's account shall be refunded.

17. Amendment of the Plan. The Board may at any time, and from time to time, amend this Plan in any respect.

18. Insufficient Shares. In the event that the total number of shares of Common Stock specified in elections to be purchased under any Offering plus the number of shares purchased under previous Offerings under this Plan exceeds the maximum number of shares issuable under this Plan, the Board or a Committee will allot the shares then available on a pro rata basis.

19. Termination of the Plan. This Plan may be terminated at any time by the Board. Upon termination of this Plan all amounts in the accounts of participating employees or consultants shall be promptly refunded.

20. Governmental Regulations. The Company's obligation to sell and deliver Common Stock under this Plan is subject to listing on a national stock exchange or quotation on the Nasdaq National Market (to the extent the Common Stock is then so listed or quoted) and the approval of all governmental authorities required in connection with the authorization, issuance or sale of such stock.

21. Governing Law. The Plan shall be governed by Delaware law except to the extent that such law is preempted by federal law.

22. Employee Withholding. Each employee shall, no later than the date of the event creating the tax liability, make provision satisfactory to the Administrator for payment of any taxes required by law to be withheld in connection with any transaction related to shares acquired by such employee pursuant to the Plan. The Company may, to the extent permitted by law, deduct any such taxes from any payment of any kind otherwise due to an employee.

23. Effective Date and Approval of Board. The Plan shall take effect upon the adoption of the Plan by the Board.
