PROXY STATEMENT

General

We are providing this proxy statement in connection with the solicitation by the Board of Directors of Coda Octopus Group, Inc. of proxies to be voted at our Annual Meeting of Stockholders and at any postponement or adjournment of the meeting. Our Annual Meeting will be held at 10 a.m., Eastern Daylight Time, on July 24, 2018, at our corporate offices located at 7380 W. Sand Lake Road, Suite 500, Orlando, Florida.

Our proxy materials are being made available to our stockholders beginning on or about July 2, 2018.

Solicitation of proxies on behalf of the Board of Directors may be made by our employees through the mail or in person. We will pay all costs of the solicitation. We also will reimburse brokerage houses and other nominees for their reasonable expenses in forwarding proxy materials to beneficial owners.

Outstanding Securities and Voting Rights

Only holders of record of our common stock at the close of business on June 25, 2018, the record date, will be entitled to notice of, and to vote at, the Annual Meeting. On the record date, 10,415,416 shares of our common stock were issued and outstanding.

Each holder of record of our common stock as of the record date is entitled to cast one vote per share. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. Directors are elected by a plurality of the votes cast. Abstentions, although counted for purposes of determining whether there is a quorum, will have no effect on the vote. In addition, where brokers are prohibited from exercising discretionary authority in voting on a matter because beneficial owners have not provided voting instructions (commonly referred to as “broker non-votes”), the broker-non-votes will have no effect on the vote. However, if shares are deemed represented for any purpose at the meeting (for example, with respect to a matter for which a broker is permitted to exercise discretionary voting authority), the shares will be counted for purposes of determining whether there is a quorum at the meeting.

Under Delaware law, none of our stockholders are entitled to rights of appraisal on any proposal referred to herein.

How to Vote

The process for voting your shares depends on how your shares are held. Generally, you may hold shares as a record holder or through a broker, bank or other nominee. If your shares are registered directly in your name with our transfer agent, Olde Monmouth Stock Transfer Co., Inc., you are considered a record holder with respect to such shares. If your shares are held through a bank, broker, or other nominee (such shares are often referred to as being held in “street name”), you are considered a beneficial owner of the shares held in street name.

Voting by Stockholders of Record

If you are a record holder, you may vote through one of the following methods:

- attend the Annual Meeting and submit a ballot; or
- sign and date each proxy card you receive and return it in the envelope included in your proxy materials;

Shares for which voting instructions are provided by properly executed and returned proxy cards will be voted at the Annual Meeting in accordance with the instructions provided. If a proxy is provided without voting instructions, the shares represented by the proxy will be voted FOR the election of each of the five nominees for election as director named in this proxy statement, FOR approval of the Coda Octopus Group, Inc. 2017 Stock Incentive Plan, FOR ratification of the appointment of Frazier & Deeter LLC as our independent registered public accounting firm for 2018 and FOR a proposal to approve the compensation of our named executive officers. You may revoke your proxy at any time prior to its use by delivering or mailing to our Corporate Secretary at the address listed above a signed notice of revocation or a later-dated signed proxy, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not in itself constitute the revocation of a proxy.

Voting by Beneficial Owners of Shares Held in Street Name

If your shares are held in the name of a broker, bank or other nominee (in other words, your shares are held in street name), please refer to the instructions provided by that firm for voting your shares, including information as to whether the firm offers internet or telephone voting. If you want to vote those shares in person at the Annual Meeting, you must bring a signed proxy from the broker, bank or other nominee, indicating that you were a beneficial owner of shares as of the close of business on June 25, 2018, as well as the number of shares of which you were the beneficial owner on the record date, and appointing you as the record holder's proxy to vote the shares covered by that proxy at the Annual Meeting.

Under New York Stock Exchange rules for member organizations, a broker holding shares for the account of a beneficial owner is not permitted to vote the shares on the election of directors or on the advisory vote on executive compensation unless it receives voting instructions from the beneficial owner. Although Coda Octopus Group, Inc. is listed on the Nasdaq Capital Market, the NYSE rules affect us because a portion of the common stock held in street name is held by NYSE member brokers. Therefore, if your shares are held by a broker, it is important that you provide voting instructions to your broker so that your vote with respect to these matters is counted.

If you wish to revoke your voting instructions, you should contact the broker, bank or other nominees that holds your shares in street name for information on how to revoke your voting instructions.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR EACH OF ITS NOMINEES FOR ELECTION AS A DIRECTOR.

CORPORATE GOVERNANCE

Board Leadership Structure

The Board of Directors is currently chaired by the Chief Executive Officer of the Company, Annmarie Gayle. The Company believes that combining the positions of Chief Executive Officer and Chairman of the Board of Directors helps to ensure that the Board of Directors and management act with a common purpose. Integrating the positions of Chief Executive Officer and Chairman can provide a clear chain of command to execute the Company's strategic initiatives. The Company also believes that it is advantageous to have a Chairman with an extensive history with and knowledge of the Company. Notwithstanding the combined role of Chief Executive Officer and Chairman, key strategic initiatives and decisions involving the Company are discussed and approved by the entire Board of Directors. The Company believes that the current leadership structure and processes maintain an effective oversight of management and independence of the Board of Directors as a whole without separate designation of a lead independent director. However, the Board of Directors will continue to monitor its functioning and will consider appropriate changes to ensure the effective independent function of the Board of Directors in its oversight responsibilities.

Independence of the Board of Directors and its Committees

After review of all relevant transactions or relationships between each director, or any of his or her family members, and the Company, its senior management and its Independent Registered Public Accounting Firm, the Board of Directors has determined that all of the Company's directors are independent within the meaning of the applicable NASDAQ listing standards, except Ms. Gayle, the Company's Chairman and Chief Executive Officer. The Board of Directors met four times and acted by unanimous written consent four times during the fiscal year ended October 31, 2017. Each member of the Board of Directors attended all meetings of the Board of Directors held in the last fiscal year during the period for which he or she was a director and of the meetings of the committees on which he or she served held in the last fiscal year during the period for which he or she was a committee member.

The Board of Directors has three committees: the Audit Committee, the Compensation Committee and the Nominating Committee. Below is a description of each committee of the Board of Directors. The Board of Directors has determined that each member of each committee meets the applicable rules and regulations regarding "independence" and that each member is free of any relationship that would interfere with his or her individual exercise of independent judgment with regard to the Company.

Audit Committee

The Audit Committee of the Board of Directors oversees the Company's corporate accounting and financial reporting process. For this purpose, the Audit Committee performs several functions. The Audit Committee, among other things: evaluates the performance, and assesses the qualifications, of the Independent Registered Public Accounting Firm; determines and pre-approves the engagement of the Independent Registered Public Accounting Firm to perform all proposed audit, review and attest services; reviews and pre-approves the retention of the Independent Registered Public Accounting Firm to perform any proposed, permissible non-audit services; determines whether to retain or terminate the existing Independent Registered Public Accounting Firm or to appoint and engage a new Independent Registered Public Accounting Firm for the ensuing year; confers with management and the Independent Registered Public Accounting Firm regarding the effectiveness of internal controls over financial reporting; establishes procedures as required under applicable law, for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; reviews the financial statements to be included in the Company's Annual Report on Form 10-K and recommends whether or not such financial statements should be so included; and discusses with management and the Independent Registered Public Accounting Firm the results of the annual audit and review of the Company's quarterly financial statements.

The Audit Committee is currently composed of four outside directors: Michael Hamilton (Chairman), Francis (Chuck) Rogers, Nina Hoque and Mary Losty. The Audit Committee met two times during the fiscal year ended October 31, 2017. Mr. Rogers and Ms. Hoque are not standing for reelection. The Audit Committee Charter is available on the Company's website, www.codaoctopusgroup.com.

The Board of Directors periodically reviews the NASDAQ listing standards' definition of independence for Audit Committee members and has determined that all members of the Company's Audit Committee are independent (as independence is currently defined in Rule 5605(c) (2)(A) of the NASDAQ listing standards and Rule 10A-3(b)(1) of the Securities Exchange Act of 1934, as amended). The Board of Directors has determined that Michael Hamilton qualifies as an "audit committee financial expert," as defined in applicable SEC rules. The Board of Directors made a qualitative assessment of Mr. Hamilton's level of knowledge and experience based on a number of factors, including his formal education and his service in professional capacities having financial oversight responsibilities.

Compensation Committee

The Compensation Committee of the Board of Directors reviews, modifies and approves the overall compensation strategy and policies for the Company. The Compensation Committee, among other things: reviews and approves corporate performance goals and objectives relevant to the compensation of the Company's officers; determines and approves the compensation and other terms of employment of the Company's Chief Executive Officer; determines and approves the compensation and other terms of employment of the other officers of the Company; and administers the Company's stock option and purchase plans, pension and profit sharing plans and other similar programs.

The Compensation Committee is currently composed of three outside directors: Michael Hamilton (Chair), Francis (Chuck) Rogers and Per Wimmer. Mr. Rogers is not standing for reelection. All members of the Compensation Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the NASDAQ listing standards). The Compensation Committee did not meet during the fiscal year ended October 31, 2017. The Compensation Committee Charter is available on the Company's website, www.codaoctopusgroup.com.

Compensation Committee Interlocks and Insider Participation

No member of our compensation committee has at any time been an employee of ours. None of our executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of our board of directors or compensation committee.

Nominating Committee

The Nominating Committee of the Board of Directors is responsible for, among other things: identifying, reviewing and evaluating candidates to serve as directors of the Company; reviewing, evaluating and considering incumbent directors; recommending to the Board of Directors for selection candidates for election to the Board of Directors; making recommendations to the Board of Directors regarding the membership of the committees of the Board of Directors; and assessing the performance of the Board of Directors.

The Nominating and Governance Committee is currently composed of four outside directors: Francis (Chuck) Rogers (Chair), Per Wimmer, Michael Hamilton and Mary Losty. Mr. Rogers is not standing for reelection. All members of the Nominating Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the NASDAQ listing standards). The Nominating Committee did not meet during the fiscal year ended October 31, 2017. The Nominating Committee Charter is available on the Company's website, www.codaoctopusgroup.com.

The Nominating Committee has not established any specific minimum qualifications that must be met for recommendation for a position on the Board of Directors. Instead, in considering candidates for director the Nominating Committee will generally consider all relevant factors, including among others the candidate's applicable education, expertise and demonstrated excellence in his or her field, the usefulness of the expertise to the Company, the availability of the candidate to devote sufficient time and attention to the affairs of the Company, the candidate's reputation for personal integrity and ethics and the candidate's ability to exercise sound business judgment. Other relevant factors, including diversity, experience and skills, will also be considered. Candidates for director are reviewed in the context of the existing membership of the Board of Directors (including the qualities and skills of the existing directors), the operating requirements of the Company and the long-term interests of its stockholders.

The Nominating Committee considers each director's executive experience and his or her familiarity and experience with the various operational, scientific and/or financial aspects of managing companies in our industry.

With respect to diversity, the Nominating Committee seeks a diverse group of individuals who have executive leadership experience and a complementary mix of backgrounds and skills necessary to provide meaningful oversight of the Company's activities. The Nominating Committee annually reviews the Board's composition in light of the Company's changing requirements. The Nominating Committee uses the Board of Director's network of contacts when compiling a list of potential director candidates and may also engage outside consultants. Pursuant to its charter, the Nominating Committee will consider, but not necessarily recommend to the Board of Directors, potential director candidates recommended by stockholders. All potential director candidates are evaluated based on the factors set forth above, and the Nominating Committee has established no special procedure for the consideration of director candidates recommended by stockholders.

Code of Ethics

We have a Code of Ethics applicable to all of our officers, other employees and directors. The Code of Ethics is available on the Company's website, www.codaoctopusgroup.com.

PROPOSAL 2. APPROVAL OF THE CODA OCTOPUS GROUP, INC. 2017 STOCK INCENTIVE PLAN

On December 6, 2017, the Board of Directors adopted the Coda Octopus Group, Inc. 2017 Stock Incentive Plan (the “Plan”), subject to the approval of our stockholders at the Annual Meeting. The following summary of the principal features of the Plan is qualified in its entirety by reference to the full text of the Plan which is attached to this proxy statement as Annex A.

Summary of the Plan

Purpose of the Plan. The purpose of the Plan is to advance the interests of the Company and its stockholders by enabling the Company and its subsidiaries to attract and retain qualified individuals through opportunities for equity participation in the Company, and to reward those individuals who contribute to the Company’s achievement of its economic objectives.

Shares Available. The number of shares of our common stock initially reserved for issuance under the Plan is 913,612. This number is subject to adjustment in the event of any reorganization, merger, consolidation, recapitalization, liquidation, reclassification, stock dividend, stock split, combination of shares or any other change in the corporate structure or shares of the Company.

Eligibility. Awards under the Plan may be made to all employees, officers and directors of the Company or any of its subsidiaries, and any person who has a relationship with the Company or any of its subsidiaries, except for incentive stock options which may be granted only to our employees.

Administration. Generally, the Plan will be administered by either the entire Board or a committee of the Board, which shall consist of at least two members of the Board, each of whom must qualify as a “non-employee director” under Rule 16b-3 under the Exchange Act.

Awards to be Granted to Certain Individuals and Groups. The Plan administrator, in its discretion, selects the persons to whom awards may be granted, determines the type of awards, determines the times at which awards will be made, determines the number of shares subject to each such award (or the dollar value of certain performance awards), and determines the other terms and conditions relating to the awards. For this reason, it is not possible to determine the benefits or amounts that will be received by any particular person in the future.

Discretionary Option Awards. The Plan administrator may grant either incentive stock options or non-statutory stock options. A stock option entitles the recipient to purchase a specified number of shares of our common stock at a fixed price subject to terms and conditions set by the Plan administrator, including conditions for exercise that must be satisfied, which typically will be based on continued provision of services. The exercise price of incentive stock options granted under the Plan cannot be less than 100% of the fair market value of our common stock on the date the option is granted (or 110% in the case of incentive stock options granted to persons owning more than 10% of the Company’s stock). Fair market value of our common stock is generally equal to the closing price of our common stock on the principal securities exchange on which our common stock is traded on the date the option is granted (or if there was no closing price on that date, on the last preceding date on which a closing price was reported).

The Plan permits payment of the exercise price of stock options to be made by cash or, at the discretion of the committee administering the Plan, shares of our common stock previously acquired by the optionee. All options granted under the Plan expire no later than ten years from the date of grant.

Restricted Stock Awards. Restricted stock awards may be issued under the Plan either alone or in addition to other awards granted under the Plan. The Plan administrator determines the terms and conditions of direct stock awards, including the number of shares of common stock granted, and the conditions for vesting that must be satisfied, if any, which typically will be based on continued provision of services but may include a performance-based component. Unless otherwise provided in the award agreement, the holder of a restricted stock award will have the rights of a stockholder from the date of grant of the award, including the right to vote the shares of common stock and the right to receive distributions on the shares. Except as otherwise provided in the award agreement, any shares or other property (other than cash) distributed with respect to the award will be subject to the same restrictions as the award.

Performance Stock Awards. The Plan Administrator may grant performance stock awards which may be subject to the future achievement of performance criteria or be free of any performance or vesting conditions.

Nontransferability of Awards. In general, except pursuant to testamentary will or the laws of descent and distribution or as otherwise expressly permitted under the Plan, no right or interest of any Plan participant in an incentive award prior to the exercise (in the case of options) or vesting (in the case of restricted stock awards) of such incentive award will be assignable or transferable, or subjected to any lien, during the lifetime of the Plan participant, either voluntarily or involuntarily, directly or indirectly, by operation of law or otherwise.

Change in Control. If a Change in Control of the Company occurs (as defined in the Plan), if approved by the Plan administrator, all awards will be subject to accelerated vesting, as follows: (a) all Options that have been outstanding for at least six months will become immediately exercisable in full and will remain exercisable in accordance with their terms; (b) all restricted stock awards that have been outstanding for at least six months will become immediately fully vested and non-forfeitable; and (c) any conditions to the issuance of shares of Common Stock pursuant to performance stock awards that have been outstanding for at least six months will lapse.

The Plan administrator may also determine that: (a) some or all Plan participants holding outstanding Options will receive, with respect to some or all of the shares of Common Stock subject to such options ("Option Shares"), either (i) cash in an amount equal to the excess of the fair market value of such Option Shares over the exercise price per share of such Option Shares, (ii) a number of shares of Common Stock having an aggregate fair market value equal to the excess of the fair market value of the Option Shares over the exercise price per share of such Option Shares; or (iii) any combination of cash or shares of Common Stock; and (b) some or all Participants holding performance stock awards will receive cash in an amount equal the Fair Market Value of such shares immediately prior to the effective date of such Change in Control.

Adjustments upon Changes in Capitalization. In the event of any reorganization, merger, consolidation, recapitalization, liquidation, reclassification, stock dividend, stock split, combination of shares or any other change in the corporate structure or shares of the Company, the Plan administrator (or, if the Company is not the surviving corporation in any such transaction, the board of directors of the surviving corporation) will make appropriate adjustment as to the number and kind of securities or other property (including cash) available for issuance or payment under the Plan and, in order to prevent dilution or enlargement of the rights of Plan participants, the number and kind of securities or other property (including cash) subject to outstanding Incentive Awards and the exercise price of outstanding Options.

Termination of Employment.

Termination Due to Death or Disability. In the event a Plan participant's employment or other service is terminated by reason of death or disability: (a) all outstanding Options will, to the extent exercisable as of such termination, remain exercisable for a period of six (6) months after such termination (but in no event after the expiration date of any such Option); and (b) all restricted stock awards then held by the Plan participant that have not vested as of such termination will be terminated and forfeited; and (c) all outstanding performance stock awards then held by the Plan participant that have not vested as of such termination will be terminated and forfeited.

Termination Due to Retirement. If a Plan participant's employment or other service is terminated by reason of retirement: (a) all outstanding Options then held by the Plan participant will, to the extent exercisable as of such termination, remain exercisable in full for a period of three months after such termination. Options not exercisable as of such retirement will be forfeited and terminate; and (b) all restricted stock awards then held by the Plan participant that have not vested as of such termination will be terminated and forfeited; and (c) all outstanding performance stock awards then held by the Plan participant that have not vested as of such termination will be terminated and forfeited.

Termination for Reasons Other than Death, Disability or Retirement. If a Plan participant's employment or other service is terminated for any reason other than death, disability or retirement: (a) all outstanding Options will, to the extent exercisable as of such termination, remain exercisable in full for a period of three months after such termination (but in no event after the expiration date of any such Option). Options not exercisable as of such termination will be forfeited and terminate; and (b) all restricted stock awards that have not vested as of such termination will be terminated and forfeited; and (c) all outstanding performance stock awards that have not vested as of such termination will be terminated and forfeited.

Amendment and Termination. The Board may suspend or terminate the Plan or any portion thereof at any time, and may amend the Plan from time to time in such respects as the Board may deem advisable in order that Incentive Awards under the Plan will conform to any change in applicable laws or regulations or in any other respect the Board may deem to be in the best interests of the Company; provided, however, that no such amendments to the Plan will be effective without approval of the Company's stockholders if stockholder approval of the amendment is then required pursuant to Section 422 of the Internal Revenue Code (the "Code") or the rules of any stock exchange or the NASDAQ Global Select, Global or Capital Market or similar regulatory body. Subject to limited exceptions, no termination, suspension or amendment of the Plan may adversely affect any outstanding Incentive Award without the consent of the affected Plan participant.

The Plan will terminate at midnight on December 6, 2027 and may be terminated prior to such time by Board action. No Incentive Award will be granted after termination of the Plan. Incentive Awards outstanding upon termination of the Plan may continue to be exercised, or become free of restrictions, according to their terms.

Federal Income Tax Consequences.

The following discussion summarizes certain federal income tax considerations of awards under the Plan. However, it does not purport to be complete and does not describe the state, local or foreign tax considerations or the consequences for any particular individual. Each individual is advised to consult with his or her own tax advisor.

We intend, and this summary assumes, that all awards granted under the Plan either will be exempt from or will comply with the requirements of Section 422 of the Code, or Section 409A, regarding nonqualified deferred compensation such that its income inclusion and tax penalty provisions will not apply to the participants. The Plan and any awards made under the Plan will be administered consistently with this intent. In any case, a participant will be solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on a participant in connection with awards (including any taxes and penalties under Section 409A) and the Company will have no obligation to indemnify or otherwise hold a participant harmless from any such taxes or penalties.

Stock Options. A participant does not realize ordinary income on the grant of a stock option. Upon exercise of a non-qualified stock option, the participant will realize ordinary income equal to the excess of the fair market value of the shares of common stock over the option exercise price. The cost basis of the shares acquired for capital gain treatment is their fair market value at the time of exercise. Upon exercise of an incentive stock option, the excess of the fair market value of the shares of common stock acquired over the option exercise price will be an item of tax preference to the participant, which may be subject to an alternative minimum tax for the year of exercise. If no disposition of the shares is made within two years from the date of granting of the incentive stock option or within one year after the transfer of the shares to the participant, the participant does not realize taxable income as a result of exercising the incentive stock option; the tax basis of the shares received for capital gain treatment is the option exercise price; any gain or loss realized on the sale of the shares is long-term capital gain or loss. If the participant disposes of the shares within the two-year or one-year periods referred to above, the participant will realize ordinary income at that time in an amount equal to the excess of the fair market value of the shares at the time of exercise (or the net proceeds of disposition, if less) over the option exercise price. For capital gain treatment on such a disposition, the tax basis of the shares will be their fair market value at the time of exercise.

Section 55 of the Code imposes an "alternative minimum tax" on an individual's income to the extent the amount of the alternative minimum tax exceeds the individual's regular tax for the year. For purposes of computing the alternative minimum tax, the excess of the fair market value (on the date of exercise) of the shares received upon the exercise of an incentive stock option over the exercise price paid is included in alternative minimum taxable income in the year the option is exercised. If the shares are sold in the same year that the option is exercised, the regular tax treatment and the alternative tax treatment will be the same. If the shares are sold during a year subsequent to that in which the option was exercised, the basis of the stock acquired will equal its fair market value on the date of exercise for purposes of computing alternative minimum taxable income in the year of sale. For example, assume that an individual pays an exercise price of \$10 to purchase stock having a fair market value of \$15 on the date of exercise. The amount included in alternative minimum taxable income is \$5, and the stock has a basis of \$10 for regular tax purposes and \$15 for alternative minimum tax purposes. If the individual sells the stock in a subsequent year for \$20, the gain recognized is \$10 for regular tax purposes and \$5 for alternative minimum tax purposes.

Restricted Stock Awards. The participant will not realize ordinary income upon the grant of a restricted stock award (or a performance stock award if the shares of common stock are issued on grant), but will realize ordinary income when the shares subject to the award become vested in an amount equal to the excess of the fair market value of the shares on the vesting date over the purchase price, if any, paid for the shares. The participant may, however, elect under Section 83(b) of the Code to include as ordinary income in the year the shares are granted an amount equal to the excess of the fair market value of the shares on the date of issuance, over the purchase price, if any, paid for the shares. If the Section 83(b) election is made, the participant will not realize any additional taxable income when the shares become vested. The participant will not realize ordinary income on the grant of a restricted stock award, but will recognize ordinary income on the vesting and transfer date, which are the same date, equal to the fair market value of the shares on the vesting and transfer date. Upon disposition of shares of common stock acquired under a restricted stock award, performance award or restricted stock unit award, the participant will realize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid for the shares plus any amount realized as ordinary income upon grant or vesting of the shares. Upon disposition of shares of common stock acquired under a restricted stock award or performance award, the participant will realize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid for the shares plus any amount realized as ordinary income upon grant or vesting of the shares.

Company Tax Deduction. We generally will be entitled to a tax deduction in connection with an award under the Plan, subject to the provisions of Section 162(m) and Section 280G of the Code, in an amount equal to the ordinary income realized by a participant at the time the participant realizes such income (for example, on the exercise of a nonqualified stock option). Section 162(m) of the Code disallows a tax deduction to public companies for compensation paid in excess of \$1 million to covered employees as defined under Section 162(m). Prior to its amendment by the Tax Cuts and Jobs Act (the TCJA), which was enacted December 22, 2017, there was an exception to this \$1 million deduction limitation for performance-based compensation if certain requirements set forth in Section 162(m) and the applicable regulations were met. The TCJA generally amended Section 162(m) to eliminate this exception for performance-based compensation, effective for taxable years following December 31, 2017. The \$1 million compensation limit was also expanded to apply to a public company's chief financial officer and apply to certain individuals who were covered employees in years other than the then-current taxable year. The Compensation Committee maintains a practice of considering the anticipated tax treatment to the Company in its review and establishment of compensation programs and awards. The Compensation Committee intends to continue to consider the deductibility of compensation as a factor in assessing whether a particular arrangement is appropriate, taking into account the goals of maintaining a competitive executive compensation system generally, motivating executives to achieve corporate performance objectives and increasing stockholder value.

Section 409A of the Code. Any awards granted under the Plan, that are considered to be deferred compensation, must satisfy the requirements of Code Section 409A to avoid adverse tax consequences to participants, which include the current inclusion of deferred amounts into income, as well as interest and a surtax on any amount included in income. We intend to structure awards under the Plan to meet the requirements of Section 409A, or an applicable exemption, in order to avoid its adverse tax consequences. Incentive stock options are generally exempt from the requirements of Section 409A. Generally, for nonqualified stock options to be exempt from the requirements of Section 409A, they must be granted with an exercise price at least equal to the fair market value of the underlying shares on the date of grant, and must not include any feature for the deferral of compensation. Restricted stock and restricted stock unit awards granted under the Plan are intended to be structured to be exempt from the requirements of Section 409A.

Plan Benefits

Future awards to our employees and directors are discretionary. Therefore, the benefits that may be received by our employees and directors if our stockholders approve the Plan, and the benefits that would have been received by our employees and directors during the fiscal year ended October 31, 2017 if the Plan had been in effect, cannot be determined at this time. In addition, because the value of the common stock issuable under certain aspects of the Plan will depend upon the fair market value of our common stock at future dates, it is not possible to determine exactly the benefits that might be received by participants under the Plan.

Required Vote

The affirmative vote of the holders of a majority of the outstanding shares of our common stock present in person or by proxy and entitled to vote at the Annual Meeting is required to approve the Plan. This proposal is considered a non-routine matter under applicable rules. A broker, bank or other nominee may not vote without instructions on this matter, so there may be broker non-votes in connection with this proposal. Broker non-votes will have no effect on this proposal. Abstentions will be the equivalent of a vote against this proposal.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” APPROVAL OF THE 2017 CODA OCTOPUS GROUP, INC. STOCK INCENTIVE PLAN.

PROPOSAL 3. RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected Frazier & Deeter LLC (“Frazier & Deeter”) as our independent registered public accounting firm for 2018. Although stockholder ratification of the appointment of our independent registered public accounting firm is not required by our Bylaws or otherwise, we are submitting the selection of Frazier & Deeter to our stockholders for ratification to enable stockholders to participate in this important decision. If our stockholders do not ratify the Audit Committee’s selection, the Audit Committee may reconsider its selection. Even if the selection is ratified, the Audit Committee may select a different independent registered public accounting firm at any time during the year if it determines that selection of a different firm would be in the best interests of our company.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF FRAZIER & DEETER, LLC.

Fees Paid to Independent Registered Public Accounting Firm

Audit Fees. The aggregate fees billed by Frazier & Deeter, LLC, our principal accountants, for professional services rendered for the audit of the Company’s annual financial statements for the last two fiscal years and for the reviews of the financial statements included in the Company’s Quarterly reports on Form 10-Q during the last two fiscal years 2017 and 2016 were \$151,506 and \$161,046, respectively.

No other fees were billed by or paid to Frazier & Deeter, LLC. during fiscal 2016 or 2017.

Prior to the Company’s engagement of its independent auditor, such engagement is approved by the Company’s audit committee. The services provided under this engagement may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. Pursuant to the Company’s Audit Committee Charter, the independent auditors and management are required to report to the Company’s audit committee at least quarterly regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. The audit committee may also pre-approve particular services on a case-by-case basis. All audit-related fees, tax fees and other fees incurred by the Company for the year ended October 31, 2017, were approved by the Company’s audit committee.

PROPOSAL 4. ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION

Section 14A of the Securities Exchange Act of 1934 enables our stockholders to vote to approve, on an advisory (non-binding) basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules. Specifically, these rules address the information we must provide in the compensation tables and related disclosures included in this proxy statement.

As indicated in the compensation tables included in this proxy statement, we have structured our compensation program to reflect the size of our operations. While we believe that our executive compensation is modest, we design our compensation with a view towards retaining our executives, motivating them to devote their efforts towards profitable growth of our businesses and aligning their interests with those of our stockholders.

Accordingly, the Board recommends that our stockholders vote in favor of the following resolution:

RESOLVED, that the stockholders of Coda Octopus Group, Inc. approve, on an advisory basis, the compensation paid to our named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and any related materials disclosed in the proxy statement for the 2018 Annual Meeting.

This is an advisory vote, which means that the stockholder vote is not binding on us. Nevertheless, we value the opinions expressed by our stockholders and will carefully consider the outcome of the vote when making future compensation decisions for our named executive officers.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries to satisfy delivery requirements for proxy statements and annual reports to stockholders, with respect to two or more stockholders sharing the same address, by delivering a single copy of the materials addressed to those stockholders. This process, commonly referred to as "householding," is designed to reduce duplicate printing and postage costs. We and some brokers may household annual reports to stockholders and proxy materials by delivering a single copy of the materials to multiple stockholders sharing the same address, unless contrary instructions have been received from the affected stockholders.

If a stockholder wishes in the future to receive a separate annual report to stockholders and proxy statement, or if a stockholder received multiple copies of some or all of these materials and would prefer to receive a single copy in the future, the stockholder should submit a request to the stockholder's broker if the shares are held in a brokerage account or to our Corporate Secretary, Coda Octopus Group, Inc., 7380 W. Sand Lake Road, Suite 500, Orlando, Florida 32819, if the stockholder is a record holder. We will send additional copies of the relevant material following receipt of a request for additional copies.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under Section 16(a) of the Securities Exchange Act of 1934, our directors, our executive officers, and any persons holding more than 10% of our common stock are required to report their ownership of the common stock and any changes in that ownership to the Securities and Exchange Commission. To our knowledge, based solely on our review of the copies of such reports received or written representations from certain reporting persons that no other reports were required, except as set forth below, we believe that during our fiscal year ended October 31, 2017, no reports relating to our securities required to be filed by current reporting persons were filed late.

Initial statements of beneficial ownership on Form 3 were filed a few days after the applicable due date for each of Per Wimmer and Nina Hoque. We will continue monitoring Section 16 compliance by each of our directors and executive officers and will assist them where possible in their filing obligations.

STOCKHOLDER PROPOSALS

Any stockholder who, in accordance with SEC rules, wishes to present a proposal for inclusion in the proxy materials to be distributed in connection with next year's annual meeting must submit the proposal to our Corporate Secretary, 7380 W. Sand Lake Road, Suite 500, Orlando, Florida 32819. Stockholder proposals for inclusion in our proxy statement for the 2019 Annual Meeting must be received on or before March 1, 2019 and must comply in all other respects with applicable SEC rules.

Any stockholder who wishes to propose any business to be considered by the stockholders at the 2019 Annual Meeting of Stockholders other than a proposal for inclusion in the proxy statement pursuant to the SEC's rules, or who wants to nominate a person for election to the board of directors at that meeting, must notify our Corporate Secretary in writing and provide the specified information described in our Bylaws concerning the proposed business or nominee. The notice must be delivered to or mailed to the address set forth in the preceding paragraph and received at our principal executive offices no later than March 1, 2019.

OTHER BUSINESS

We are not aware of any matters, other than as indicated above, that will be presented for action at the Annual Meeting. However, if any other matters properly come before the meeting, the persons named in the enclosed form of proxy intend to vote such proxy in their discretion on such matters.

Copies of our Annual Report on Form 10-K for the year ended October 31, 2017, including financial statements and schedules thereto filed with the SEC, but excluding exhibits, are available without charge to stockholders upon written request addressed to Corporate Secretary, Coda Octopus Group, Inc., 7380 W. Sand Lake Road, Suite 500, Orlando, Florida 32819. The Form 10-K includes a list of exhibits to the Form 10-K. Copies of exhibits will be furnished to stockholders upon written request and upon payment of reproduction and mailing expenses.

2.12 “Fair Market Value” means, with respect to the Common Stock, as of any date: (i) the mean between the reported high and low sale prices of the Common Stock at the end of the regular trading session if the Common Stock is listed, admitted to unlisted trading privileges, or reported on any national securities exchange or on the NASDAQ Global Select or Global Market on such date (or, if no shares were traded on such day, as of the next preceding day on which there was such a trade); or (ii) if the Common Stock is not so listed, admitted to unlisted trading privileges, or reported on any national exchange or on the NASDAQ Global Select or Global Market, the closing bid price as of such date at the end of the regular trading session, as reported by the Nasdaq Capital Market, OTC Bulletin Board, The OTC Market, or other comparable service; or (iii) if the Common Stock is not so listed or reported, such price as the Committee determines in good faith in the exercise of its reasonable discretion.

2.13 “Incentive Award” means an Option, Restricted Stock Award or Performance Stock Award granted to an Eligible Recipient pursuant to the Plan.

2.14 “Incentive Stock Option” means a right to purchase Common Stock granted to an Eligible Recipient pursuant to Section 6 of the Plan that qualifies as an “incentive stock option” within the meaning of Section 422 of the Code.

2.15 “Non-Statutory Stock Option” means a right to purchase Common Stock granted to an Eligible Recipient pursuant to Section 6 of the Plan that does not qualify as an Incentive Stock Option.

2.16 “Option” means an Incentive Stock Option or a Non-Statutory Stock Option.

2.17 “Participant” means an Eligible Recipient who receives one or more Incentive Awards under the Plan.

2.18 “Performance Criteria” means the performance criteria that may be used by the Committee in granting Performance Stock Awards contingent upon achievement of such performance goals as the Committee may determine in its sole discretion. 2.24 “Subsidiary” means any entity that is directly or indirectly controlled by the Company or any entity in which the Company has a significant equity interest, as determined by the Committee.

3. Plan Administration.

3.1. The Committee. The Plan will be administered by the Board or by a committee of the Board. So long as the Company has a class of its equity securities registered under Section 12 of the Exchange Act, any committee administering the Plan will consist solely of two or more members of the Board who are “non-employee directors” within the meaning of Rule 16b-3 under the Exchange Act. Such a committee, if established, will act by majority approval of the members (unanimous approval with respect to action by written consent), and a majority of the members of such a committee will constitute a quorum. As used in the Plan, “Committee” will refer to the Board or to such a committee, if established. To the extent consistent with applicable corporate law of the Company’s jurisdiction of incorporation, the Committee may delegate to any officers of the Company the duties, power and authority of the Committee under the Plan pursuant to such conditions or limitations as the Committee may establish; provided, however, that only the Committee may exercise such duties, power and authority with respect to Eligible Recipients who are subject to Section 16 of the Exchange Act. The Committee may exercise its duties, power and authority under the Plan in its sole and absolute discretion without the consent of any Participant or other party, unless the Plan specifically provides otherwise. Each determination, interpretation or other action made or taken by the Committee pursuant to the provisions of the Plan will be conclusive and binding for all purposes and on all persons, and no member of the Committee will be liable for any action or determination made in good faith with respect to the Plan or any Incentive Award granted under the Plan.

3.2. Authority of the Committee.

(a) In accordance with and subject to the provisions of the Plan, the Committee will have the authority to determine all provisions of Incentive Awards as the Committee may deem necessary or desirable and as consistent with the terms of the Plan, including, without limitation, the following: (i) the Eligible Recipients to be selected as Participants; (ii) the nature and extent of the Incentive Awards to be made to each Participant (including the number of shares of Common Stock to be subject to each Incentive Award, any exercise price, the manner in which Incentive Awards will vest or become exercisable and whether Incentive Awards will be granted in tandem with other Incentive Awards) and the form of written agreement, if any, evidencing such Incentive Award; (iii) the time or times when Incentive Awards will be granted; (iv) the duration of each Incentive Award; and (v) the restrictions and other conditions to which the payment or vesting of Incentive Awards may be subject. In addition, the Committee will have the authority under the Plan in its sole discretion to pay the economic value of any Incentive Award in the form of cash, Common Stock or any combination of both.

(b) Subject to Section 3.2(d), below, the Committee will have the authority under the Plan to amend or modify the terms of any outstanding Incentive Award in any manner, including, without limitation, the authority to modify the number of shares or other terms and conditions of an Incentive Award, extend the term of an Incentive Award, accelerate the exercisability or vesting or otherwise terminate any restrictions relating to an Incentive Award, accept the surrender of any outstanding Incentive Award or, to the extent not previously exercised or vested, authorize the grant of new Incentive Awards in substitution for surrendered Incentive Awards; provided, however that the amended or modified terms are permitted by the Plan as then in effect and that any Participant adversely affected by such amended or modified terms has consented to such amendment or modification.

(c) In the event of (i) any reorganization, merger, consolidation, recapitalization, liquidation, reclassification, stock dividend, stock split, combination of shares, rights offering, extraordinary dividend or divestiture (including a spin-off) or any other change in corporate structure or shares; (ii) any purchase, acquisition, sale, disposition or write-down of a significant amount of assets or a significant business; (iii) any change in accounting principles or practices, tax laws or other such laws or provisions affecting reported results; or (iv) any other similar change, in each case with respect to the Company or any other entity whose performance is relevant to the grant or vesting of an Incentive Award, the Committee (or, if the Company is not the surviving corporation in any such transaction, the board of directors of the surviving corporation) may, without the consent of any affected Participant, amend or modify the vesting criteria (including Performance Criteria) of any outstanding Incentive Award that is based in whole or in part on the financial performance of the Company (or any Subsidiary or division or other subunit thereof) or such other entity so as equitably to reflect such event, with the desired result that the criteria for evaluating such financial performance of the Company or such other entity will be substantially the same (in the sole discretion of the Committee or the board of directors of the surviving corporation) following such event as prior to such event; provided, however, that the amended or modified terms are permitted by the Plan as then in effect.

(d) Notwithstanding any other provision of this Plan other than Section 4.3, the Committee may not, without prior approval of the Company's stockholders, seek to effect any re-pricing of any previously granted, "underwater" Option by: (i) amending or modifying the terms of the Option to lower the exercise price; (ii) canceling the underwater Option and granting either (A) replacement Options having a lower exercise price; (B) Restricted Stock Awards; or (C) Performance Stock Awards in exchange; or (iii) repurchasing the underwater Options and granting new Incentive Awards under this Plan. For purposes of this Section 3.2(d) and Section 11.4, an Option will be deemed to be "underwater" at any time when the Fair Market Value of the Common Stock is less than the exercise price of the Option.

4. Shares Available for Issuance.

4.1. Maximum Number of Shares Available; Certain Restrictions on Awards. Subject to adjustment as provided in Section 4.3 of the Plan, the maximum number of shares of Common Stock that will be available for issuance under the Plan will be 913,612. The shares available for issuance under the Plan may, at the election of the Committee, be either treasury shares or shares authorized but unissued, and, if treasury shares are used, all references in the Plan to the issuance of shares will, for corporate law purposes, be deemed to mean the transfer of shares from treasury.

4 . 2 . Accounting for Incentive Awards. Shares of Common Stock that are issued under the Plan or that are subject to outstanding Incentive Awards will be applied to reduce the maximum number of shares of Common Stock remaining available for issuance under the Plan; provided, however, that shares subject to an Incentive Award that lapses, expires, is forfeited (including issued shares forfeited under a Restricted Stock Award) or for any reason is terminated unexercised or unvested or is settled or paid in cash or any form other than shares of Common Stock will automatically again become available for issuance under the Plan. To the extent that the exercise price of any Option and/or associated tax withholding obligations are paid by tender or attestation as to ownership of Previously Acquired Shares, or to the extent that such tax withholding obligations are satisfied by withholding of shares otherwise issuable upon exercise of the Option, only the number of shares of Common Stock issued net of the number of shares tendered, attested to or withheld will be applied to reduce the maximum number of shares of Common Stock remaining available for issuance under the Plan.

4.3. Adjustments to Shares and Incentive Awards. In the event of any reorganization, merger, consolidation, recapitalization, liquidation, reclassification, stock dividend, stock split, combination of shares or any other change in the corporate structure or shares of the Company, the Committee (or, if the Company is not the surviving corporation in any such transaction, the board of directors of the surviving corporation) will make appropriate adjustment (which determination will be conclusive) as to the number and kind of securities or other property (including cash) available for issuance or payment under the Plan and, in order to prevent dilution or enlargement of the rights of Participants, the number and kind of securities or other property (including cash) subject to outstanding Incentive Awards and the exercise price of outstanding Options.

5. Participation.

Participants in the Plan will be those Eligible Recipients who, in the judgment of the Committee, have contributed, are contributing or are expected to contribute to the achievement of economic objectives of the Company or its Subsidiaries. Eligible Recipients may be granted from time to time one or more Incentive Awards, singly or in combination or in tandem with other Incentive Awards, as may be determined by the Committee in its sole discretion. Incentive Awards will be deemed to be granted as of the date specified in the grant resolution of the Committee, which date will be the date of any related agreement with the Participant.

6. Options.

6.1. Grant. An Eligible Recipient may be granted one or more Options under the Plan, and such Options will be subject to such terms and conditions, consistent with the other provisions of the Plan, as may be determined by the Committee in its sole discretion. The Committee may designate whether an Option is to be considered an Incentive Stock Option or a Non-Statutory Stock Option. To the extent that any Incentive Stock Option granted under the Plan ceases for any reason to qualify as an "incentive stock option" for purposes of Section 422 of the Code, such Incentive Stock Option will continue to be outstanding for purposes of the Plan but will thereafter be deemed to be a Non-Statutory Stock Option.

6 . 2 . Exercise Price. The per share price to be paid by a Participant upon exercise of an Option will be determined by the Committee in its discretion at the time of the Option grant; provided, however, that such price will not be less than 100% of the Fair Market Value of one share of Common Stock on the date of grant with respect to any Incentive Stock Option (110% of the Fair Market Value with respect to an Incentive Stock Option if, at the time such Incentive Stock Option is granted, the Participant owns, directly or indirectly, more than 10% of the total combined voting power of all classes of stock of the Company or any parent or subsidiary corporation of the Company).

6.3. Exercisability and Duration. An Option will become exercisable at such times and in such installments and upon such terms and conditions as may be determined by the Committee in its sole discretion at the time of grant (including without limitation (i) the achievement of one or more of the Performance Criteria and/or (ii) that the Participant remain in the continuous employ or service of the Company or a Subsidiary for a certain period); provided, however, that if the Committee does not specify the expiration date of the Option, the expiration date shall be 10 years from the date on which the Option was granted. In no case may an Option may be exercisable after 10 years from its date of grant (five years from its date of grant in the case of an Incentive Stock Option if, at the time the Incentive Stock Option is granted, the Participant owns, directly or indirectly, more than 10% of the total combined voting power of all classes of stock of the Company or any parent or subsidiary corporation of the Company).

6.4. Payment of Exercise Price. The total purchase price of the shares to be purchased upon exercise of an Option will be paid entirely in cash (including check, bank draft or money order); provided, however, that the Committee, in its sole discretion and upon terms and conditions established by the Committee, may allow such payments to be made, in whole or in part, by tender of a Broker Exercise Notice, by tender, or attestation as to ownership, of Previously Acquired Shares that have been held for the period of time necessary to avoid a charge to the Company's earnings for financial reporting purposes and that are otherwise acceptable to the Committee, or by a combination of such methods. For purposes of such payment, Previously Acquired Shares tendered or covered by an attestation will be valued at their Fair Market Value on the exercise date.

6.5. Manner of Exercise. An Option may be exercised by a Participant in whole or in part from time to time, subject to the conditions contained in the Plan and in the agreement evidencing such Option, by delivery in person, by facsimile or electronic transmission or through the mail of written notice of exercise to the Company at its legal department and by paying in full the total exercise price for the shares of Common Stock to be purchased in accordance with Section 6.4 of the Plan.

7. Restricted Stock Awards.

7.1. Grant. An Eligible Recipient may be granted one or more Restricted Stock Awards under the Plan, and such Restricted Stock Awards will be subject to such terms and conditions, consistent with the other provisions of the Plan, as may be determined by the Committee in its sole discretion. The Committee may impose such restrictions or conditions, not inconsistent with the provisions of the Plan, to the vesting of such Restricted Stock Awards as it deems appropriate, including, without limitation, (i) the achievement of one or more of the Performance Criteria and/or (ii) that the Participant remain in the continuous employ or service of the Company or a Subsidiary for a certain period.

7.2. Rights as a Stockholder; Transferability. Except as provided in Sections 7.1, 7.3, 7.4 and 12.3 of the Plan, a Participant will have all voting, dividend, liquidation and other rights with respect to shares of Common Stock issued to the Participant as a Restricted Stock Award under this Section 7 upon the Participant becoming the holder of record of such shares as if such Participant were a holder of record of shares of unrestricted Common Stock.

7.3. Dividends and Distributions. Unless the Committee determines otherwise in its sole discretion (either in the agreement evidencing the Restricted Stock Award at the time of grant or at any time after the grant of the Restricted Stock Award), any dividends or distributions (other than regular quarterly cash dividends) paid with respect to shares of Common Stock subject to the unvested portion of a Restricted Stock Award will be subject to the same restrictions as the shares to which such dividends or distributions relate. The Committee will determine in its sole discretion whether any interest will be paid on such dividends or distributions.

7.4. Enforcement of Restrictions. To enforce the restrictions referred to in this Section 7, the Committee may place a legend on the stock certificates referring to such restrictions and may require the Participant, until the restrictions have lapsed, to keep the stock certificates, together with duly endorsed stock powers, in the custody of the Company or its transfer agent, or to maintain evidence of stock ownership, together with duly endorsed stock powers, in a certificateless book-entry stock account with the Company's transfer agent.

8. Performance Stock Awards.

8.1. An Eligible Recipient may be granted one or more Performance Stock Awards under the Plan, and the issuance of shares of Common Stock pursuant to such Performance Stock Awards will be subject to such terms and conditions, if any, consistent with the other provisions of the Plan, as may be determined by the Committee in its sole discretion, including, but not limited to, the achievement of one or more of the Performance Criteria.

8.2. Restrictions on Transfers. The right to receive shares of Performance Stock Awards on a deferred basis may not be sold, assigned, transferred, pledged or otherwise encumbered, other than by will or the laws of descent and distribution.

9. Effect of Termination of Employment or Other Service.

9.1. Termination Due to Death or Disability. In the event a Participant's employment or other service with the Company and all Subsidiaries is terminated by reason of death or Disability:

(a) All outstanding Options then held by the Participant will, to the extent exercisable as of such termination, remain exercisable for a period of six (6) months after such termination (but in no event after the expiration date of any such Option); and

(b) All Restricted Stock Awards then held by the Participant that have not vested as of such termination will be terminated and forfeited; and

(c) All outstanding Performance Stock Awards then held by the Participant that have not vested as of such termination will be terminated and forfeited.

9.2. Termination Due to Retirement. Subject to Section 9.5 of the Plan, in the event a Participant's employment or other service with the Company and all Subsidiaries is terminated by reason of Retirement:

(a) All outstanding Options then held by the Participant will, to the extent exercisable as of such termination, remain exercisable in full for a period of three (3) months after such termination (but in no event after the expiration date of any such Option). Options not exercisable as of such Retirement will be forfeited and terminate; and

(b) All Restricted Stock Awards then held by the Participant that have not vested as of such termination will be terminated and forfeited; and

(c) All outstanding Performance Stock Awards then held by the Participant that have not vested as of such termination will be terminated and forfeited.

9.3. Termination for Reasons Other than Death, Disability or Retirement. Subject to Section 9.5 of the Plan, in the event a Participant's employment or other service is terminated with the Company and all Subsidiaries for any reason other than death, Disability or Retirement, or a Participant is in the employ of a Subsidiary and the Subsidiary ceases to be a Subsidiary of the Company (unless the Participant continues in the employ of the Company or another Subsidiary):

(a) All outstanding Options then held by the Participant will, to the extent exercisable as of such termination, remain exercisable in full for a period of three months after such termination (but in no event after the expiration date of any such Option). Options not exercisable as of such termination will be forfeited and terminate; and

(b) All Restricted Stock Awards then held by the Participant that have not vested as of such termination will be terminated and forfeited; and

(c) All outstanding Performance Stock Awards then held by the Participant that have not vested as of such termination will be terminated and forfeited.

9.4. Modification of Rights Upon Termination. Notwithstanding the other provisions of this Section 9, the Committee may, in its sole discretion (which may be exercised in connection with the grant or after the date of grant, including following such termination), determine that upon a Participant's termination of employment or other service with the Company and all Subsidiaries, any Options (or any part thereof) then held by such Participant may become or continue to become exercisable and/or remain exercisable following such termination of employment or service, and Restricted Stock Awards and Performance Stock Awards then held by such Participant may vest and/or continue to vest or become free of restrictions and conditions to issuance, as the case may be, following such termination of employment or service, in each case in the manner determined by the Committee.

9.5. Effects of Actions Constituting Cause. Notwithstanding anything in the Plan to the contrary, in the event that a Participant is determined by the Committee, acting in its sole discretion, to have committed any action which would constitute Cause as defined in Section 2.3, irrespective of whether such action or the Committee's determination occurs before or after termination of such Participant's employment or service with the Company or any Subsidiary, all rights of the Participant under the Plan and any agreements evidencing an Incentive Award then held by the Participant shall terminate and be forfeited without notice of any kind. The Company may defer the exercise of any Option or the vesting of any Restricted Stock Award for a period of up to ninety (90) days in order for the Committee to make any determination as to the existence of Cause.

9.6. Determination of Termination of Employment or Other Service. Unless the Committee otherwise determines in its sole discretion, a Participant's employment or other service will, for purposes of the Plan, be deemed to have terminated on the date recorded on the personnel or other records of the Company or the Subsidiary for which the Participant provides employment or service, as determined by the Committee in its sole discretion based upon such records.

10. Payment of Withholding Taxes.

10.1. General Rules. The Company is entitled to (a) withhold and deduct from future wages of the Participant (or from other amounts that may be due and owing to the Participant from the Company or a Subsidiary), or make other arrangements for the collection of, all legally required amounts necessary to satisfy any and all federal, foreign, state and local withholding and employment-related tax requirements attributable to an Incentive Award, including, without limitation, the grant, exercise or vesting of, or payment of dividends with respect to, an Incentive Award or a disqualifying disposition of stock received upon exercise of an Incentive Stock Option, or (b) require the Participant promptly to remit the amount of such withholding to the Company before taking any action, including issuing any shares of Common Stock, with respect to an Incentive Award.

10.2. Special Rules. The Committee may, in its sole discretion and upon terms and conditions established by the Committee, permit or require a Participant to satisfy, in whole or in part, any withholding or employment-related tax obligation described in Section 10.1 of the Plan by electing to tender, or by attestation as to ownership of, Previously Acquired Shares that have been held for the period of time necessary to avoid a charge to the Company's earnings for financial reporting purposes and that are otherwise acceptable to the Committee, by delivery of a Broker Exercise Notice or a combination of such methods. For purposes of satisfying a Participant's withholding or employment-related tax obligation, Previously Acquired Shares tendered or covered by an attestation will be valued at their Fair Market Value.

11. Change in Control.

11.1. A "Change in Control" shall be deemed to have occurred if the event set forth in any one of the following paragraphs has occurred:

(a) the sale, lease, exchange or other transfer, directly or indirectly, of substantially all of the assets of the Company (in one transaction or in a series of related transactions) to any Successor;

(b) the approval by the stockholders of the Company of any plan or proposal for the liquidation or dissolution of the Company;

(c) any Successor (as defined in Section 11.2 below), other than a Bona Fide Underwriter (as defined in Section 11.2 below), becomes after the effective date of the Plan the "beneficial owner" (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of (i) 25% or more, but not 50% or more, of the combined voting power of the Company's outstanding securities ordinarily having the right to vote at elections of directors, unless the transaction resulting in such ownership has been approved in advance by the Continuity Directors (as defined in Section 11.2 below), or (ii) more than 50% of the combined voting power of the Company's outstanding securities ordinarily having the right to vote at elections of directors (regardless of any approval by the Continuity Directors);

(d) a merger or consolidation to which the Company is a party if the stockholders of the Company immediately prior to effective date of such merger or consolidation have "beneficial ownership" (as defined in Rule 13d-3 under the Exchange Act), immediately following the effective date of such merger or consolidation, of securities of the surviving corporation representing (i) 50% or more, but not more than 80%, of the combined voting power of the surviving corporation's then outstanding securities ordinarily having the right to vote at elections of directors, unless such merger or consolidation has been approved in advance by the Continuity Directors, or (ii) less than 50% of the combined voting power of the surviving corporation's then outstanding securities ordinarily having the right to vote at elections of directors (regardless of any approval by the Continuity Directors); or

(e) the Continuity Directors cease for any reason to constitute at least 50% or more of the Board.

11.2. Change in Control Definitions. For purposes of this Section 11:

(a) “Continuity Directors” of the Company will mean any individuals who are members of the Board on the effective date of the Plan and any individual who subsequently becomes a member of the Board whose election, or nomination for election by the Company’s stockholders, was approved by a vote of at least a majority of the Continuity Directors (either by specific vote or by approval of the Company’s proxy statement in which such individual is named as a nominee for director without objection to such nomination).

(b) “Bona Fide Underwriter” means an entity engaged in business as an underwriter of securities that acquires securities of the Company through such entity’s participation in good faith in a firm commitment underwriting until the expiration of 40 days after the date of such acquisition.

(c) “Successor” means any individual, corporation, partnership, group, association or other “person,” as such term is used in Section 13(d) or Section 14(d) of the Exchange Act, other than the Company, any “affiliate” (as defined below) or any benefit plan(s) sponsored by the Company or any affiliate that succeeds to, or has the practical ability to control (either immediately or solely with the passage of time), the Company’s business directly, by merger, consolidation or other form of business combination, or indirectly, by purchase of the Company’s outstanding securities ordinarily having the right to vote at the election of directors or all or substantially all of its assets or otherwise. For this purpose, an “affiliate” is (i) any corporation at least a majority of whose outstanding securities ordinarily having the right to vote at elections of directors is owned directly or indirectly by the Company; (ii) any other form of business entity in which the Company, by virtue of a direct or indirect ownership interest, has the right to elect a majority of the members of such entity’s governing body or (iii) any entity that at the time of the approval of this Plan owns in excess of 10% of the Company’s common stock and its affiliates.

11.3. Acceleration of Vesting. Without limiting the authority of the Committee under Sections 3.2 and 4.3 of the Plan, if a Change in Control of the Company occurs, then, if approved by the Committee in its sole discretion either in an agreement evidencing an Incentive Award at the time of grant or at any time after the grant of an Incentive Award: (a) all Options that have been outstanding for at least six months will become immediately exercisable in full and will remain exercisable in accordance with their terms; (b) all Restricted Stock Awards that have been outstanding for at least six months will become immediately fully vested and non-forfeitable; and (c) any conditions to the issuance of shares of Common Stock pursuant to Performance Stock Awards that have been outstanding for at least six months will lapse.

11.4. Cash Payment. If a Change in Control of the Company occurs, then the Committee, if approved by the Committee in its sole discretion either in an agreement evidencing an Incentive Award at the time of grant or at any time after the grant of an Incentive Award, and without the consent of any Participant affected thereby, may determine that:

(a) Some or all Participants holding outstanding Options will receive, with respect to some or all of the shares of Common Stock subject to such Options (“Option Shares”), either (i) as of the effective date of any such Change in Control, cash in an amount equal to the excess of the Fair Market Value of such Option Shares on the last business day prior to the effective date of such Change in Control over the exercise price per share of such Option Shares, (ii) immediately prior to such Change of Control, a number of shares of Common Stock having an aggregate Fair Market Value equal to the excess of the Fair Market Value of the Option Shares as of the last business day prior to the effective date of such Change in Control over the exercise price per share of such Option Shares; or (iii) any combination of cash or shares of Common Stock with the amount of each component to be determined by the Committee not inconsistent with the foregoing clauses (i) and (ii), as proportionally adjusted; and

(b) any Options which, as of the effective date of any such Change in Control, are “underwater” (as defined in Section 3.2(d)) shall terminate as of the effective date of any such Change in Control; and

(c) some or all Participants holding Performance Stock Awards will receive, with respect to some or all of the shares of Common Stock subject to such Performance Stock Awards that remain subject to issuance based upon the future achievement of Performance Criteria as of the effective date of any such Change in Control of the Company, cash in an amount equal the Fair Market Value of such shares immediately prior to the effective date of such Change in Control.

11.5. Limitation on Change in Control Payments. Notwithstanding anything in Section 11.3 or 11.4 of the Plan to the contrary, if, with respect to a Participant, the acceleration of the exercisability of an Option as provided in Section 11.3 or the payment of cash or shares of Common Stock in exchange for all or part of an Option as provided in Section 11.4 (which acceleration or payment could be deemed a “payment” within the meaning of Section 280G(b)(2) of the Code), together with any other “payments” that such Participant has the right to receive from the Company or any corporation that is a member of an “affiliated group” (as defined in Section 1504(a) of the Code without regard to Section 1504(b) of the Code) of which the Company is a member, would constitute a “parachute payment” (as defined in Section 280G(b)(2) of the Code), then the “payments” to such Participant pursuant to Section 11.3 or 11.4 of the Plan will be reduced to the largest amount as will result in no portion of such “payments” being subject to the excise tax imposed by Section 4999 of the Code; provided, however, that if a Participant is subject to a separate agreement with the Company or a Subsidiary which specifically provides that payments attributable to one or more forms of employee stock incentives or to payments made in lieu of employee stock incentives will not reduce any other payments under such agreement, even if it would constitute an excess parachute payment, or provides that the Participant will have the discretion to determine which payments will be reduced in order to avoid an excess parachute payment, then the limitations of this Section 11.4 will, to that extent, not apply.

12. Rights of Eligible Recipients and Participants; Transferability.

12.1. Employment or Service. Nothing in the Plan will interfere with or limit in any way the right of the Company or any Subsidiary to terminate the employment or service of any Eligible Recipient or Participant at any time, nor confer upon any Eligible Recipient or Participant any right to continue in the employ or service of the Company or any Subsidiary.

12.2. Rights as a Stockholder. As a holder of Incentive Awards (other than Restricted Stock Awards), a Participant will have no rights as a stockholder unless and until such Incentive Awards are exercised for, or paid in the form of, shares of Common Stock and the Participant becomes the holder of record of such shares. Except as otherwise provided in the Plan, no adjustment will be made for dividends or distributions with respect to such Incentive Awards as to which there is a record date preceding the date the Participant becomes the holder of record of such shares, except as the Committee may determine in its discretion.

12.3. Restrictions on Transfer.

(a) Except pursuant to testamentary will or the laws of descent and distribution or as otherwise expressly permitted by subsections (b) and (c) below, no right or interest of any Participant in an Incentive Award prior to the exercise (in the case of Options) or vesting (in the case of Restricted Stock Awards) of such Incentive Award will be assignable or transferable, or subjected to any lien, during the lifetime of the Participant, either voluntarily or involuntarily, directly or indirectly, by operation of law or otherwise.

(b) A Participant will be entitled to designate a beneficiary to receive an Incentive Award upon such Participant's death, and in the event of such Participant's death, payment of any amounts due under the Plan will be made to, and exercise of any Options (to the extent permitted pursuant to Section 9 of the Plan) may be made by, such beneficiary. If a deceased Participant has failed to designate a beneficiary, or if a beneficiary designated by the Participant fails to survive the Participant, payment of any amounts due under the Plan will be made to, and exercise of any Options (to the extent permitted pursuant to Section 9 of the Plan) may be made by, the Participant's legal representatives, heirs and legatees. If a deceased Participant has designated a beneficiary and such beneficiary survives the Participant but dies before complete payment of all amounts due under the Plan or exercise of all exercisable Options, then such payments will be made to, and the exercise of such Options may be made by, the legal representatives, heirs and legatees of the beneficiary.

(c) Upon a Participant's request, the Committee may, in its sole discretion, permit a transfer of all or a portion of a Non-Statutory Stock Option, other than for value, to such Participant's child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, any person sharing such Participant's household (other than a tenant or employee), a trust in which any of the foregoing have more than fifty percent of the beneficial interests, a foundation in which any of the foregoing (or the Participant) control the management of assets, and any other entity in which these persons (or the Participant) own more than fifty percent of the voting interests. Any permitted transferee will remain subject to all the terms and conditions applicable to the Participant prior to the transfer. A permitted transfer may be conditioned upon such requirements as the Committee may, in its sole discretion, determine, including, but not limited to execution and/or delivery of appropriate acknowledgements, opinion of counsel, or other documents by the transferee.

12.4. Non-Exclusivity of the Plan. Nothing contained in the Plan is intended to modify or rescind any previously approved compensation plans or programs of the Company or create any limitations on the power or authority of the Board to adopt such additional or other compensation arrangements as the Board may deem necessary or desirable.

13. Securities Law and Other Restrictions.

Notwithstanding any other provision of the Plan or any agreements entered into pursuant to the Plan, the Company will not be required to issue any shares of Common Stock under this Plan, and a Participant may not sell, assign, transfer or otherwise dispose of shares of Common Stock issued pursuant to Incentive Awards granted under the Plan, unless (a) there is in effect with respect to such shares a registration statement under the Securities Act and any applicable securities laws of a state or foreign jurisdiction or an exemption from such registration under the Securities Act and applicable state or foreign securities laws, and (b) there has been obtained any other consent, approval or permit from any other U.S. or foreign regulatory body which the Committee, in its sole discretion, deems necessary or advisable. The Company may condition such issuance, sale or transfer upon the receipt of any representations or agreements from the parties involved, and the placement of any legends on certificates representing shares of Common Stock, as may be deemed necessary or advisable by the Company in order to comply with such securities law or other restrictions.

14. Plan Amendment, Modification and Termination.

The Board may suspend or terminate the Plan or any portion thereof at any time, and may amend the Plan from time to time in such respects as the Board may deem advisable in order that Incentive Awards under the Plan will conform to any change in applicable laws or regulations or in any other respect the Board may deem to be in the best interests of the Company; provided, however, that no such amendments to the Plan will be effective without approval of the Company's stockholders if: (i) stockholder approval of the amendment is then required pursuant to Section 422 of the Code or the rules of any stock exchange or the NASDAQ Global Select, Global or Capital Market or similar regulatory body; or (ii) such amendment seeks to modify Section 3.2(d) hereof. No termination, suspension or amendment of the Plan may adversely affect any outstanding Incentive Award without the consent of the affected Participant; provided, however, that this sentence will not impair the right of the Committee to take whatever action it deems appropriate under Sections 3.2(c), 4.3 and 11 of the Plan.

15. Effective Date and Duration of the Plan.

The Plan is effective as of the Effective Date. The Plan will terminate at midnight on December 6, 2027, and may be terminated prior to such time by Board action. No Incentive Award will be granted after termination of the Plan. Incentive Awards outstanding upon termination of the Plan may continue to be exercised, or become free of restrictions, according to their terms.

16. Miscellaneous.

16.1. Governing Law. Except to the extent expressly provided herein or in connection with other matters of corporate governance and authority (all of which shall be governed by the laws of the Company's jurisdiction of incorporation), the validity, construction, interpretation, administration and effect of the Plan and any rules, regulations and actions relating to the Plan will be governed by and construed exclusively in accordance with the laws of the State of Delaware notwithstanding the conflicts of laws principles of any jurisdictions.

16.2. Successors and Assigns. The Plan will be binding upon and inure to the benefit of the successors and permitted assigns of the Company and the Participants.
