PROXY STATEMENT

General

We are providing this proxy statement in connection with the solicitation by the Board of Directors of Coda Octopus Group, Inc. of proxies to be voted at our Annual Meeting of Stockholders and at any postponement or adjournment thereof. Our Annual Meeting will be held on Tuesday September 8, 2026, at 12:00 p.m., Eastern Time.

This year's Annual Meeting will be held virtually via live audio webcast on the Internet. You will only be able to attend the annual meeting, vote and submit your questions during the meeting by visiting www.virtualshareholdermeeting.com/CODA2026 and entering the 16-digit control number included in the Notice of Internet Availability or proxy card that you receive.

Our proxy materials are being made available to our stockholders beginning on or about August 17, 2026.

Solicitation of proxies on behalf of the Board of Directors may be made by our employees through the mail or in person. We will bear all costs of the solicitation. We also will reimburse brokerage houses and other nominees for their reasonable expenses in forwarding proxy materials to beneficial owners.

Outstanding Securities and Voting Rights

Only holders of record of our common stock at the close of business on July 30, 2026, herein referred to as the record date, are entitled to notice of, and to vote at, the Annual Meeting. On the record date, 11,280,754 shares of our common stock were issued and outstanding.

Each holder of record is entitled to cast one vote per share. The presence, via the Internet or by proxy, of the holders of a majority of the outstanding shares of our common stock entitled to vote will constitute a quorum at the Annual Meeting. Directors are elected by a plurality of the votes cast. Abstentions, while counted for purposes of determining a quorum, will have no effect on the vote. "Broker non-votes" (shares for which brokers lack discretionary voting authority and have not received voting instructions) will similarly have no effect on the vote. However, if shares are represented for any purpose at the meeting (for example, on matters where brokers may exercise discretionary authority) they will be counted for the purpose of establishing a quorum.

Under Delaware law, our stockholders are not entitled to appraisal rights with respect to any proposal described in this proxy statement.

How to Vote

Stockholders of record holding shares of Coda Octopus Group, Inc. as of the close of business on July 30, 2026, are entitled to vote at the Annual Meeting.

You may submit a proxy to vote your Shares in advance of the Annual Meeting by any of the following means:

- **Internet:** Please log on to www.proxyvote.com and submit a proxy to vote your Shares by 11:59 p.m., Eastern Time, on September 7, 2026.
 - **Telephone:** Please call 1-800-690-6903 until 11:59 p.m., Eastern Time, on September 7, 2026.
-

- **Mail:** If you received printed copies of the proxy materials, please complete, sign, date and return your proxy card by mail so that it is received by Coda Octopus Group, Inc., c/o Broadridge Financial Solutions, Inc., prior to the Annual Meeting.

Beneficial Owners or Holders in Street Name

If your Shares are held in an account at a brokerage firm, bank, broker-dealer or other similar organization, then you are a holder of Shares in “street name” or a “beneficial owner.” The organization holding your account will have provided you with proxy materials. As the beneficial owner, you have the right to direct the organization how to vote the Shares held in your account. You may submit voting instructions by following the instructions provided to you by your broker, bank or nominee. You may also vote by attending the Annual Meeting at www.virtualshareholdermeeting.com/CODA2026 and using your Control Number.

If you are a holder of Shares in street name and you do not submit voting instructions to your broker, bank or other intermediary, the intermediary generally may vote your Shares in its discretion only on routine matters. Intermediaries do not have discretion to vote their clients’ Shares on non-routine matters in the absence of voting instructions from the beneficial owner. At the Annual Meeting, only Proposal 2 (ratification of the independent auditor) is considered routine and may be voted upon by the intermediary if you do not submit voting instructions. All other proposals on the Agenda for the Annual Meeting are non-routine matters, and intermediaries may not use their discretion to vote on these proposals in the absence of voting instructions from you. These “broker non-votes” will not affect the outcome of the vote with respect to Proposals 1 and 3. There will be no broker non-votes associated with Proposal 2, as the ratification of our independent registered public accounting firm is a routine matter. As a result, if your Shares are held in street name and you do not give your bank or broker instructions on how to vote, your shares will be voted by the broker in its discretion.

Changing Your Vote or Revoking Your Proxy

If you are a stockholder of record and wish to revoke your proxy instructions, you must either (1) subsequently submit a proxy via the Internet or by telephone, which will be available until 11:59 p.m., Eastern Time, September 7, 2026; (2) sign, date and deliver a later-dated proxy card so that it is received before the Annual Meeting; (3) submit a written revocation; (4) send a notice of revocation via the Internet at www.proxyvote.com; or (5) attend the Annual Meeting and vote your Shares. If you hold your shares in street name, you must follow the instructions of your broker, bank or other intermediary to revoke your voting instructions.

Vote Tabulation

Votes will be tabulated by Broadridge Financial Solutions, Inc.

Results of the Vote

We expect to announce preliminary voting results at the Annual Meeting and publish preliminary or final voting results in a Form 8-K within four business days following the Annual Meeting. If only preliminary voting results are available for reporting in the Form 8-K, the Company will amend the Form 8-K to report final voting results within four business days after the final voting results are known.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR EACH OF ITS NOMINEES FOR ELECTION AS A DIRECTOR.

CORPORATE GOVERNANCE

Board Leadership Structure

The Board of Directors is currently chaired by the Company's Chief Executive Officer, Annmarie Gayle. The Company believes that combining the roles of Chief Executive Officer and Chairman of the Board helps ensure unified leadership and alignment between management and the Board. Integrating these positions provides a clear chain of command for executing the Company's strategic initiatives. The Company also considers it beneficial to have a chairperson with extensive knowledge of, and long-standing experience with, the Company. Notwithstanding the combined roles, key strategic initiatives and decisions are discussed and approved by the full Board of Directors. The Company believes that its current leadership structure and governance processes provide effective oversight of management and maintain the Board's independence as a whole without the need to designate a separate lead independent director. The Board will continue to monitor its leadership structure and will consider any appropriate changes to ensure the effective and independent functioning of the Board in carrying out its oversight responsibilities.

Independence of the Board of Directors and its Committees

After reviewing all relevant transactions and relationships between each director (and their immediate family members) and the Company, its senior management, and its Independent Registered Public Accounting Firm, the Board of Directors has determined that all of the Company's directors are independent within the meaning of applicable NASDAQ listing standards, except Ms. Gayle, the Company's Chairman and Chief Executive Officer, and Mr. Cunningham. Stephen Hemedes is considered independent for general Board service but not for purposes of serving on the Company's Audit Committee.

The Board of Directors has three committees: the Audit Committee, the Compensation Committee and the Nominating Committee. Below is a description of each committee of the Board of Directors. The Board of Directors has determined that each member of each committee meets the applicable rules and regulations regarding "independence" and that each member is free of any relationship that would interfere with his or her individual exercise of independent judgment with regard to the Company.

Audit Committee

The Audit Committee of the Board of Directors oversees the Company's corporate accounting and financial reporting process. For this purpose, the Audit Committee performs several functions. The Audit Committee, among other things: evaluates the performance, and assesses the qualifications, of the Independent Registered Public Accounting Firm; determines and pre-approves the engagement of the Independent Registered Public Accounting Firm to perform all proposed audit, review and attest services; reviews and pre-approves the retention of the Independent Registered Public Accounting Firm to perform any proposed, permissible non-audit services; determines whether to retain or terminate the existing Independent Registered Public Accounting Firm or to appoint and engage a new independent registered Public Accounting Firm for the ensuing year; confers with management and the Independent Registered Public Accounting Firm regarding the effectiveness of internal control over financial reporting; establishes procedures as required under applicable law, for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; reviews the financial statements to be included in the Company's Annual Report on Form 10-K and the Company's periodic quarterly filings on Form 10-Q, recommends whether or not such financial statements should be so included; and discusses with management and the Independent Registered Public Accounting Firm the results of the annual audit and review of the Company's quarterly financial statements.

The Audit Committee is currently composed of three directors: Michael Hamilton (Chairman), Robert Harcourt and Gwenael Rouy-Poirier. The Audit Committee met five times during the fiscal year ended October 31, 2025. The Audit Committee Charter is available on the Company's website, www.codaoctopusgroup.com.

The Board of Directors periodically reviews the NASDAQ listing standards' definition of independence for Audit Committee members and has determined that all members of the Company's Audit Committee are independent (as independence is currently defined in Rule 5605(c)(2)(A) of the NASDAQ listing standards and Rule 10A-3(b)(1) of the Securities Exchange Act, as amended). The Board of Directors has determined that Michael Hamilton qualifies as an "audit committee financial expert," as defined in applicable SEC rules. The Board of Directors made a qualitative assessment of Mr. Hamilton's level of knowledge and experience based on a number of factors, including his formal education and his service in executive capacities having financial oversight responsibilities.

Compensation Committee

The Compensation Committee of the Board of Directors reviews, modifies and approves the overall compensation strategy and policies for the Company. The Compensation Committee, among other things, reviews and approves corporate performance goals and objectives relevant to the compensation of the Company's officers; determines and approves the compensation and other terms of employment of the Company's Chief Executive Officer; determines and approves the compensation and other terms of employment of the other officers of the Company; and administers the Company's stock option and purchase plans, pension and profit sharing plans and other similar programs.

The Compensation Committee is composed of four outside directors: Michael Hamilton (Chairman), Robert Harcourt, and Gwenael Rouy-Poirier. All members of the Compensation Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the NASDAQ listing standards). The Compensation Committee met two times during the fiscal year ended October 31, 2025. The Compensation Committee Charter is available on the Company's website at: www.codaoctopusgroup.com.

Compensation Committee Interlocks and Insider Participation

No member of our compensation committee has at any time been an employee of ours. None of our executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of our board of directors or compensation committee.

Nominating Committee

The Nominating Committee of the Board of Directors is responsible for, among other things, identifying, reviewing and evaluating candidates to serve as directors of the Company; reviewing, evaluating and considering incumbent directors; recommending to the Board of Directors candidates for election to the Board of Directors; making recommendations to the Board of Directors regarding the membership of the committees of the Board of Directors, and assessing the performance of the Board of Directors.

The Nominating and Governance Committee is currently composed of three outside directors: Robert Harcourt, Gwenael Rouy-Poirier and Michael Hamilton. All members of the Nominating Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the NASDAQ listing standards). The Nominating Committee met one time during the fiscal year ended October 31, 2025. The Nominating Committee Charter is available on the Company's website at www.codaoctopusgroup.com.

The Nominating Committee has not established any specific minimum qualifications that must be met for recommendation for a position on the Board of Directors. Instead, in considering candidates for director the Nominating Committee will generally consider all relevant factors, including among others the candidate's applicable education, expertise and demonstrated excellence in his or her field, the usefulness of the expertise to the Company, the availability of the candidate to devote sufficient time and attention to the affairs of the Company, the candidate's reputation for personal integrity and ethics and the candidate's ability to exercise sound business judgment. Other relevant factors, including diversity, experience and skills, will also be considered. Candidates for director are reviewed in the context of the existing membership of the Board of Directors (including the qualities and skills of the existing directors), the operating requirements of the Company and the long-term interests of its stockholders.

The Nominating Committee considers each director's executive experience and his or her familiarity and experience with the various operational, scientific and/or financial aspects of managing companies in our industry.

With respect to diversity, the Nominating Committee seeks a diverse group of individuals who have executive leadership experience and a complementary mix of backgrounds and skills necessary to provide meaningful oversight of the Company's activities. The Nominating Committee annually reviews the Board's composition in light of the Company's changing requirements. The Nominating Committee uses the Board of Director's network of contacts when compiling a list of potential director candidates and may also engage outside consultants. Pursuant to its charter, the Nominating Committee will consider, but not necessarily recommend to the Board of Directors, potential director candidates recommended by stockholders. All potential director candidates are evaluated based on the factors set forth above, and the Nominating Committee has established no special procedure for the consideration of director candidates recommended by stockholders.

Code of Ethics

We have a Code of Ethics applicable to all of our officers, other employees and directors. The Code of Ethics is available on the Company's website, www.codaoctopusgroup.com.

Stock Incentive Plans

The Company has two active Stock Incentive Plans - 2017 Stock Incentive Plan and 2021 Stock Incentive Plan.

2017 Stock Incentive Plan

On December 6, 2017, the Board of Directors adopted the 2017 Stock Incentive Plan (the "2017 Plan"). The purpose of the Plan is to advance the interests of the Company and its stockholders by enabling the Company and its subsidiaries to attract and retain qualified individuals through opportunities for equity participation in the Company, and to reward those individuals who contribute to the Company's achievement of its economic objectives. The Plan, which was adopted subject to stockholders' approval, was approved by Stockholders at its meeting held on July 24, 2018.

The maximum number of shares of Common Stock that will be available for issuance under the Plan is 913,612. The shares available for issuance under the Plan may, at the election of the Committee, be either treasury shares or shares authorized but unissued, and, if treasury shares are used, all references in the Plan to the issuance of shares will, for corporate law purposes, be deemed to mean the transfer of shares from treasury.

The Plan is administered by the Compensation Committee of the Board of Directors which has the authority to determine all provisions of Incentive Awards as the Committee may deem necessary or desirable and as consistent with the terms of the Plan, including, without limitation, the following: (i) eligible recipients; (ii) the nature and extent of the Incentive Awards to be made to each Participant; (iii) the time or times when Incentive Awards will be granted; (iv) the duration of each Incentive Award; and (v) the restrictions and other conditions to which the payment or vesting of Incentive Awards may be subject.

During the fiscal year ended October 31, 2025, pursuant to the terms of the 2017 Plan, the Company granted 17,646 restricted stock awards for an aggregate share of common stock of 17,646 to various eligible individuals. During this period 2,500 restricted stock awards were forfeited. During the fiscal year ended October 31, 2025, 99,671 options were exercised on a cashless basis pursuant to which 46,469 shares of common stock were issued and 53,202 were returned to the 2017 Plan. As a result, as of October 31, 2025, there were 406,808 shares available for future issuance under the 2017 Plan.

2021 Stock Incentive Plan

On July 12, 2021, the Board of Directors adopted the 2021 Stock Incentive Plan (the "2021 Plan"), which was approved by the Company's stockholders at its meeting held on August 2, 2021. The 2021 Plan is identical to the 2017 Plan in all material respects, except that the number of shares available for issuance is 1,000,000.

AUDIT COMMITTEE REPORT

The Audit Committee assists the Board in its oversight of the integrity of the Company's financial statements and compliance with legal and regulatory requirements. Management has responsibility for preparing the financial statements and for the financial reporting process. In addition, management has the responsibility to assess the effectiveness of the Company's internal control over financial reporting. Frazier & Deeter LLC, the Company's independent registered public accounting firm, is responsible for expressing an opinion on the conformity of the Company's audited financial statements to accounting principles generally accepted in the United States of America and on whether the financial statements present fairly, in all material respects, the financial position and results of operations and cash flows of the Company.

In this context, the Audit Committee has:

- (1) reviewed and discussed with management and Frazier & Deeter LLC the audited financial statements and management's evaluation of the Company's internal control over financial reporting.
- (2) discussed with Frazier & Deeter LLC the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No. 1301, "Communications with Audit Committees."
- (3) received the written disclosures and the letter from Frazier & Deeter LLC required by applicable requirements of the Public Company Accounting Oversight Board regarding Frazier & Deeter LLC's communications with the Audit Committee concerning independence and discussed with Frazier & Deeter LLC that firm's independence.

Based on the review and discussion referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended October 31, 2025, for filing with the Securities and Exchange Commission.

PROPOSAL 2. RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected Frazier & Deeter LLC (“Frazier & Deeter”) as our independent registered public accounting firm for 2026. Although stockholder ratification of the appointment of our independent registered public accounting firm is not required by our Bylaws or otherwise, we are submitting the selection of Frazier & Deeter to our stockholders for ratification to enable stockholders to participate in this important decision. If our stockholders do not ratify the Audit Committee’s selection, the Audit Committee may reconsider its selection. Even if the selection is ratified, the Audit Committee may select a different independent registered public accounting firm at any time during the year if it determines that selection of a different firm would be in the best interests of our company.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF FRAZIER & DEETER, LLC.

Fees Paid to Independent Registered Public Accounting Firm

Audit Fees. The aggregate fees billed by Frazier & Deeter, LLC, our principal accountants, for professional services rendered for the audit and audit related services of the Company’s annual financial statements for the last two fiscal years and for the reviews of the financial statements included in the Company’s Quarterly reports on Form 10-Q during the last two fiscal years 2025 and 2024 were \$469,000 and \$361,125 respectively.

Tax Fees. The Company did not engage its principal accountants to render any tax services to the Company during the last two fiscal years.

All Other Fees. The Company did not engage its principal accountants to render services to the Company during the last two fiscal years, other than as reported above.

Prior to the Company’s engagement of its independent auditor, such engagement is approved by the Company’s Audit Committee. The services provided under this engagement may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. Pursuant to the Company’s Audit Committee Charter, the independent auditors and management are required to report to the Company’s audit committee at least quarterly regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. The audit committee may also pre-approve particular services on a case-by-case basis. All audit-related fees, tax fees and other fees incurred by the Company for the year ended October 31, 2025, were approved by the Company’s Audit Committee.

PROPOSAL 3. ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION

Section 14A of the Securities Exchange Act of 1934 enables our stockholders to vote to approve, on an advisory (non-binding) basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules. Specifically, these rules address the information we must provide in the compensation tables and related disclosures included in this proxy statement.

As indicated in the compensation tables included in this proxy statement, we have structured our compensation program to reflect the size of our operations. While we believe that our executive compensation is modest, we design our compensation with a view towards retaining our executives, motivating them to devote their efforts towards profitable growth of our businesses and aligning their interests with those of our stockholders.

Accordingly, the Board recommends that our stockholders vote in favor of the following resolution:

RESOLVED, that the stockholders of Coda Octopus Group, Inc. approve, on an advisory basis, the compensation paid to our named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and any related materials disclosed in the proxy statement for the 2026 Annual Meeting.

This is an advisory vote, which means that the stockholder vote is not binding on us. Nevertheless, we value the opinions expressed by our stockholders and will carefully consider the outcome of the vote when making future compensation decisions for our named executive officers.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries to satisfy delivery requirements for proxy statements and annual reports to stockholders, with respect to two or more stockholders sharing the same address, by delivering a single copy of the materials addressed to those stockholders. This process, commonly referred to as "householding," is designed to reduce duplicate printing and postage costs. We and some brokers may household annual reports to stockholders and proxy materials by delivering a single copy of the materials to multiple stockholders sharing the same address, unless contrary instructions have been received from the affected stockholders.

If a stockholder wishes in the future to receive a separate annual report to stockholders and proxy statement, or if a stockholder received multiple copies of some or all of these materials and would prefer to receive a single copy in the future, the stockholder should submit a request to the stockholder's broker if the shares are held in a brokerage account or to our Corporate Secretary, Coda Octopus Group, Inc., 3300 S Hiawassee Rd., Suite 104-105, Orlando, Florida 32835, if the stockholder is a record holder. We will send additional copies of the relevant material following receipt of a request for additional copies.

STOCKHOLDER PROPOSALS

Any stockholder who, in accordance with SEC rules, wishes to present a proposal for inclusion in the proxy materials to be distributed in connection with next year's annual meeting must submit the proposal to our Corporate Secretary, 3300 S Hiawassee Rd., Suite 104-105, Orlando, Florida 32835. Stockholder proposals for inclusion in our proxy statement for the 2027 Annual Meeting must be received on or before April 1, 2027, and must comply in all other respects with applicable SEC rules.

Any stockholder who wishes to propose any business to be considered by the stockholders at the 2027 Annual Meeting of Stockholders other than a proposal for inclusion in the proxy statement pursuant to the SEC's rules, or who wants to nominate a person for election to the board of directors at that meeting, must notify our Corporate Secretary in writing and provide the specified information described in our Bylaws concerning the proposed business or nominee. The notice must be delivered to or mailed to the address set forth in the preceding paragraph and received at our principal executive offices no later than April 1, 2027.

OTHER BUSINESS

We are not aware of any matters other than as indicated above, that will be presented for action at the Annual Meeting. However, if any other matters properly come before the meeting, the persons named in the enclosed form of proxy intend to vote such proxy in their discretion on such matters.

Copies of our Annual Report on Form 10-K for the year ended October 31, 2025, including financial statements and schedules thereto filed with the SEC, but excluding exhibits, are available without charge to stockholders upon written request addressed to Corporate Secretary, Coda Octopus Group, Inc., 3300 S Hiawasse Rd., Suite 104-105, Orlando, Florida 32835. The Form 10-K includes a list of exhibits to the Form 10-K. Copies of exhibits will be furnished to stockholders upon written request and upon payment of reproduction and mailing expenses.
